

60 farmers to take pre-induction physicals

Does not mean immediate service

Cook County Draft Board No. 1 has notified 60 men under 26 years of age, who are engaged in farm work to report for pre-induction physicals. They are still classified II C and the examination at this time does not mean that they are subject to immediate induction.

Orders for the examination of the farm group were received from state headquarters with no explanation being given as to its purpose.

Those with IIC classification should not become unduly alarmed that they will not be able to do the spring planting of crops. A group nearly as large will receive similar orders within the next ten days. Those to report for pre-induction physicals are:

Charles F. Smith, Barrington.
Raymond W. Roselle, Palatine.
William J. Grumack, Libertyville.
Wilfred Kolpin, Des Plaines.
Laverne W. Roselle, Bartlett.
Ralph W. Engleking, Roselle.
Fred P. Schroeder, Mundelein.
Edwin Kolpin, Des Plaines.
Walter E. Guenther, Palatine.
Wesley N. Scharringhausen, Palatine.
Harvey J. Becker, Elgin.
Harold F. Knaus, Elgin.
Leonard J. Miller, Bartlett.
Edwin H. Tonne, Bensenville.
Elmer H. Cosman, Arlington Heights.
Herman H. Albrecht, Huntley.
Erwin W. Meier, Mt. Prospect.
Norbert A. Mueller, Mt. Prospect.
Bernard J. Winchel, Oakton, Wis.
Edward C. Mollenkamp, Bensenville.
David E. Dice, Crawfordville, Ind.
George F. Knaus, Jr., Elgin.
Harold F. Ollmann, Roselle.
Robert Freise, Palatine.
Christian Fritz, Jr., Chicago.
Benedict R. Weider, Palatine.
Arnold E. Brockmann, Des Plaines.
Albert Behn, Arlington Heights.
Wilfred W. Wille, Arlington Heights.
LeRoy L. Schramm, Elgin.
Erwin J. Wede, Roselle.
Ernest H. Wille, Des Plaines.
John C. Hogewe, Palatine.
Earl P. Sund, Palatine.
Ralph M. Hoffman, Dundee.
Lloyd T. Tuttle, Garden Prairie, Ill.
Raymond W. Porep, Palatine.
Erwin E. Piepenbrink, Mt. Prospect.
Elmer C. Bauer, Sturtevant, Wis.
Edward A. Krueger, Arlington Heights.
Alvin H. Timmermann, Des Plaines.
Melvin C. Rohlfing, Mundelein.
Wesley E. Batzke, Palatine.
Gordon C. Koeppen, Mt. Prospect.
August F. Jost, Arlington Heights.
Raymond H. Beck, Des Plaines.
Frank W. Gronke, Barrington.
Hugh A. C. Bowman, Northbrook.
Russell R. Mahler, Des Plaines.
Ernest W. Wille, Bensenville.
Norman B. Runge, Mt. Prospect.
Ralph L. Porep, Palatine.
Erwin J. Bonkowski, Elgin.
Norman W. Sternberg, Mayville, Wis.
Five men inducted

Five men were inducted last Saturday from the Arlington Heights area. They are John Daniel Dempsey, Charles Joseph O'Leary, Robert James Cheney, St. Mary's Tr. School, Des Plaines; Raymond Roland Hanson, Wheeling; Lee Arnold Betts, Palatine.

Your schools

(This is the first in a series of articles by Superintendent R. E. Claiborn and Eleanor Miltstead on schools and school legislation.)

Education is a mighty force. Hitler used it to build a race of killers. We can educate for good life and good will and democracy with equal vigor. This we MUST do if we are to build a free world and a safe world. To accomplish their great task our schools need active, continued support.

DID YOU KNOW?

That 1,724,000 children in this country are in school systems where less than \$600 per year per class room unit is spent? The \$600 includes the teacher's salary.

That true equality of opportunity in education does not exist in the United States because income is usually low where the most children live.

That the federal government makes practically no contribution now to our local public schools' support.

That at present a bill is being sponsored in the 79th Congress (Senate Bill 181 and House of Representatives Bill 1296) for the purpose of bringing better educational opportunities to ALL AMERICAN CHILDREN.

That this bill provides \$100,000,000 to raise the low spots in education and \$200,000,000 for raising substandard salaries and for adjusting all teachers salaries to living costs.

That this \$300,000,000 is \$50,000,000 less than the annual tax confidence men in this country.

That section one of this bill goes farther in affording protection for state and local control of education against federal encroachment than any federal aid measure that has ever been proposed or enacted by the Congress of the United States.

That if you want to be kept informed about current school legislation you may send your name and address to Mr. Paul Vawter, TA legislation chairman, 506 S. Chestnut ave., Arlington Heights.

Your U. S. Senators are Scott W. Lucas and C. Wayland Brooks who may be reached at the Senate office building in Washington. Your Congressman is William W. Link and your Congressman-at-large is Emily Taft Douglas to whom you may write at the House of Representatives in Washington.

Refuse use of septic tanks in Park Manor

Arlington Heights village board let it be known Monday night that bars have not been let down to subdivisions which have sewer facilities available. Mr. LaRue, who is interested in the development of Arlington Heights Park Manor appeared before the board with the request that permission be given for use of septic tanks. The board emphatically said "no". The main sewer runs through the northern part of this property and no lot is further than three blocks from the service. Park Manor is immediately east of Scarsdale. Homes to be built there will sell from \$4,000 to \$6,500.

Annexation ordinance covering Lot 27 in Scarsdale Estates, owned by Jos. D. Young was passed. The owner has paid the annexation fee of \$315 an acre.

Contracts were let to Frank Leth for decorating the interior of the council room and to Otto Stier for erecting a wall in the municipal garage to which the street department will move. The present quarters will be used by the firemen as a club room.

Sale of tax anticipation warrants to the Arlington Heights National Bank were authorized, said warrants to be delivered as the cash is needed.

The board approved the appointments of the following election of officials: Pre. 1, village hall, Estelle Goewey, Fred Lorenzen, Martin W. Engleking, judges; Mrs. Vera Folkman, Mrs. Fannie May, Clerk; Pre. 2, Farm Bureau building, R. H. Jahn, Fred Hinz, Ernest Malzahn, judges; Mrs. Shirley Shanklin, Paul Taege, clerks.

Will back village in enforcement of parking rules

Chamber to meet first Thursday of month

The parking problem in Arlington Heights is a serious one and the Chamber of Commerce is ready to back the local officials in the enforcement of existing rules. The organization will also study the need of additional parking space. This is a "must" on the program of the Chamber of Commerce and the officers of the Chamber of Commerce feel there is nothing to be gained by delayed action.

In the opinion of Dr. Baumann, outsiders take greater care in parking than do local people. It is not unusual for a local car to use a double, even a triple space. The police have been asked to enforce the rules, thereby educating the people of Arlington Heights to conservative parking.

Every member of the twelve directors of the Arlington Heights Chamber of Commerce was present last Thursday evening, when President E. W. Bauman called them to order at 8:15 p. m. for their first session. Completion of the list of officers was the first business under consideration. Wm. F. Meyer, Jr., was chosen as vice president, Walter Krause as treasurer and Carl M. Behrens as executive secretary. Mr. Behrens' acceptance depended upon the willingness of his daughter to assist in the clerical work.

He has given quarters of the Chamber of Commerce will be at the real estate office of Flentje & Behrens. The directors are all individuals sold on the need for a strong organization and the membership committee, with Paul Taege as chairman, will solicit memberships among the business men.

Regular membership meetings will be held the first Thursday of each month. A representative membership is expected by April 5, the date of the first meeting. These meetings, states Dr. Bauman, are for the free discussion of matters of interest that concern the welfare of the community as a whole. The organization is ready to give its support to work while projects and in return asks the support of the general public.

Membership will not be limited to business men.

Local taxpayers faced with increased tax bills

Schaumburg has lowest tax in Cook county

The township of Schaumburg has the distinction this year as a township without a single local tax. The amount of taxes that are to be collected this year are so small that the tax collector will hardly earn enough to pay him a decent salary.

None of the taxing bodies, including the school districts entirely within the township made a levy this year. Neither did the township or road and bridge.

Taxes to be paid are levied upon the property owners of the township by outside taxing bodies. They are County 34c, forest preserve 4c, non high school 53c and school district 43 1/2c (Hanover) 43c. The total rate is 91c for the township tax payers with the exception of three farms which are a part of school district 43 1/2.

Two schools within the township are closed. The other two have small enrollments and in the words of Mr. Puffer, "do not need additional tax money." Another factor is that no subdivisions exist within the township.

Penalty date May 1
County Treasurer Victor L. Schlager announced that penalty date for the paying of the 1944 taxes—real estate and personal property, will be May 1st this year instead of July 1st as last year. A penalty of 1 percent a month will be added to all unpaid first installment bills after May 1st.

Schlager says all bills, now in the making, will be in the hands of the taxpayers by March 30th, thirty days before penalty as compelled by law. He asks taxpayers to pay their bills as soon as they get them and thereby avoid crowding, delay and inconvenience in his office, due to lack of man power.

Schlager says all bills, now in the making, will be in the hands of the taxpayers by March 30th, thirty days before penalty as compelled by law. He asks taxpayers to pay their bills as soon as they get them and thereby avoid crowding, delay and inconvenience in his office, due to lack of man power.

<

A group of twenty-one friends pleasantly surprised Miss Laura Kieser with a farewell party at her home, 210 N. State rd., Arlington Heights, on Sunday.

Out-of-town guests were her brother and family, Mr. and Mrs. M. Kieser and son Pvt. Albert Kieser of Marengo, Mr. and Mrs. Sherman Kieser and Marilyn of Highland Park, Mr. and Mrs. Edwin Kieser and daughter Jennie of Deerfield, Miss Kieser, Mrs. Della Kirchhoff and Mrs. Lena Kirchhoff of Chicago and Mr. and Mrs. Sturline and son of Hubbard Woods. Later in the evening her sister, Mrs. Florence Milbratz, of Arlington Heights, joined the party.

Pvt. Albert Kieser, now home on a fifteen-day furlough, expects to leave in a short time for overseas duty. Miss Kieser left Tuesday for Columbia, S. C.

RETURNS HOME

Mrs. Joseph Stefely has returned home after taking treatments at Hot Springs, Arkansas. She returned home March 4.

Hard of Hearing? Ourine Home Test Aids Thousands

Thanks to an easy no-risk hearing test, many thousands who have been temporarily deafened now say they hear well again. If you are bothered by ringing, buzzing, head noises due to hardened or congealed wax (cerumen), try the Ourine Home Method test. You must hear better after making this simple test. Or you get your money back at once. Ask about Ourine Ear Drops today at

SIEBURG DRUG COMPANY (The Rexall Store) Arlington Heights

Exciting, Thrilling, New Way HELPS CLEAR BLACKHEADS PIMPLES OVERNIGHT

Now, try this modern, scientific way today to clear up blackheads and pimples and come rich overnight. Blackheads and other blemishes, if externally caused, respond as if by magic with KLEEREX. Absolutely safe, quick-acting. Easy to use. Not a greasy ointment, smelly salve. KLEEREX, a medicated liquid, dries in seconds, will not stain pillows. OVERNIGHT HOME TRIAL MUST DELIGHT YOU OR DOUBLE YOUR MONEY BACK. Get a bottle of KLEEREX today. Try it tonight. You must see noticeable results in your mirror the morning or return to us for DOUBLE YOUR MONEY BACK.

BARNIE RUNGE
Highway Commissioner

Barnie Runge has resided in Township of Wheeling for the past 38 years. He received his education in Wheeling Township, after which he completed a two year business course at the Metropolitan Business College and a two year course at Greer College, both of Chicago.

Before becoming active, or acquainted, with the building and maintenance of road and bridge work in Township of Wheeling, Barnie was afforded the opportunity of working for several well known Road Construction Companies, thus giving him a desire to become a road and bridge builder.

During the past 16 years Barnie was employed by the Wheeling Township Road and Bridge Maintenance Department. He operated economically and efficiently (to the best of his knowledge) all TOWNSHIP ROAD MAINTENANCE TOOLS.

Would therefore kindly ask you to study your ballot carefully and hope you will, in all sincerity and kindness, consider me as the capable candidate to fill the position of HIGHWAY COMMISSIONER on election day, April 3, 1945.

Remember, though, I'm running independent — on TAXPAYERS' TICKET.

Children's Crusade
next Thursday, Friday

The Fourth Annual Children's Clothing Crusade, sponsored by a nation wide committee of school superintendents to enable the Children's Federation to carry out its service program for underprivileged children, will be conducted in Arlington Heights on March 15 and 16.

"By the evening of March 16," said R. E. Clabaugh, Superintendent of Schools, "we expect to have again demonstrated that when it comes to a real job, every child in the Arlington Heights public schools does his duty. The bags are waiting. The schools that are participating have been asked to furnish a total of not less than two and one half million pounds. The children of our schools will take pride in doing their part toward providing it."

All kinds of clean, usable clothing will be helpful. High heeled shoes and more elaborate dresses if given, can be sold and the proceeds used to purchase needed shoes, overalls, and sweaters; or to provide essential welfare service to the children. The federation asks that mattresses or rags not be donated but blankets and all sorts of warm clothing will help greatly. An old coat will keep a child warm. A pair of sturdy shoes in good repair may save some child's feet from frost bite. Adult clothing can be cut down for the children. Golf and sport shoes are useful.

In America there are thousands of underprivileged children in the Southern Appalachians, the Ozarks, the Brazos Valley of Texas, the Salt River Valley of Arizona, and other isolated rural areas, who are badly in need of clothing. For want of essential garments many are unable to attend school. Reports show that in some sections approximately one-fourth of the school children are in need.

Overseas, substantial shipments of children's clothing are being sent to Sweden to aid refugees from other Scandinavian countries who have found shelter there—approximately 70,000. During the past year in addition to clothing furnished to Great Britain, assistance has been given to various countries through their respective war relief agencies, the latest shipment being to the Netherlands to assist Dutch children. Clothing has also been sent to the Middle East to aid thousands of Yugoslav children sheltered in Egypt.

It is hoped that the National Clothing Crusade of which the Arlington Heights Bundle Day is a part will provide sufficient clothing and shoes not only to supply immediate demands but to make it possible for the Save the Children Federation to meet emergencies at home and abroad.

Dr. James Workman
is Methodist
Lenten speaker

Dr. James W. Workman will appear as the fifth speaker of the current Lenten series at the Arlington Heights Methodist Meeting House, Wednesday, March 14, at 7:45 p. m. He will address himself to the subject "Wanted Ex-

pendables" one of the five spearheads of the Crusade for Christ Series. Dr. Workman is noted for his succinct manner of presenting the whole subject of Stewardship. The public is invited.

Dr. Workman was educated in the public schools of Benton, Crosssett, Malvern, and Little Rock, Ark. He received the B. A. degree at Henderson-Brown College in 1919. He went to Yale for four years, receiving the degrees of A. B., 1921, B. D., 1923, M. A., 1924. He was ordained deacon in James Street Church, Brooklyn, New York, in the New York East Conference by Bishop Luther B. Wilson.

From Yale he went directly to the University of Arkansas as the first student pastor to inaugurate the Wesley Foundation, and teach Bible in the University for college credit. After four years he went to Norman, Oklahoma, as student pastor at the University of Oklahoma, and was ordained Elder in 1927 at Chickasha, Oklahoma. November 1940, he became Associate Secretary of the General Board of Lay Activities of the Methodist Church, Headquarters, 740 Rush Street, Chicago.

During the World War Dr. Workman was 2nd Lt. in the Infantry of the U. S. A., rifle and pistol instructor, assigned to Lawrence College, Appleton, Wisconsin.

Mothers club to meet Friday

The regular meeting of the Mothers' Club of St. Peter Lutheran school, Arlington Heights, will be held Friday, March 9, at 8:00 o'clock in the parish building. At 9:00 o'clock Roy Baumann will show a religious picture which will be appropriate during Lent. It is a picture which will appeal to both young and old. The fathers and school children are urged to attend.

The will of the late Peter Schmidt, who died in Barrington January 4 leaving a \$7,500 estate, has been admitted to Probate reports Frank Lyman, probate clerk. He left his estate in fractional parts to relatives and their descendants. Edward and William Landwehr, both of Northbrook, are each left 1-6th shares, the children of the late George Landwehr divide a 1-7th share. Louis Schmidt, Fox Lake, brother, is left a 1-14th share. Heirs receiving other portions of his estate include: Elsie Brunke, niece, Niles Center; Hattie Jenks, niece, Barrington; Ruby Bucher, niece, Round Lake; Arthur and Robert Landwehr, both of Northbrook. Ed. Landwehr was named executor of the will.

Marriage in Georgia

Betty Dombrosky, daughter of Mr. and Mrs. Gus Dombrosky of South Plum Grove road, Palatine, was united in marriage to Staff Sergeant Loyal Hendley at Columbus, Georgia, Saturday, Feb. 24, at 12 noon.

Mr. and Mrs. Hendley are making their home in Columbus for the present.

Eugene Burger, teacher in the St. Peter Lutheran Parish school, Arlington Heights, has accepted a position with Immanuel Lutheran church, Alexandria, Va. The congregation here regretfully granted him a dismissal.

Wartime cooks stretch sugar

There are plenty of ways of satisfying that sweet tooth in 1945 in spite of the shorter supply of sugar.

Cooks and the other consumers in a household can adjust their appetites, use some of the sweetening substitutes and avoid wasting sugar. A little more stirring and a little less sugar get the same result in a teacup or a mug of coffee as when sugar is left undis-solved.

Maple syrup, molasses, corn syrup and honey are popular as sweeteners, says the A&P Service for Home-Makers. The first two are slightly less sweet than white sugar, weight for weight. Corn

syrup is rated about three-fifths as sweet as sugar on a weight basis. Honey can be substituted in equal volume for sugar, except that the use of honey usually calls for longer cooking to reduce the amount of liquid, or requires a reduction in the amount of other liquids in a recipe.

A few grains of salt added during the cooking of fruits brings out more of the sweet taste. One of the favorite suggestions of wartime is to serve stewed fruits, pies or other fruit desserts while they are hot, hiding some of the sour or tart flavor.

Hot rhubarb pie fits a suggested menu for Sunday dinner which

would include tomato soup, pot roast, mashed potatoes and gravy, creamed cabbage, jellied spring salad and beverage.

COME to CHURCH
During Lent

Arlington Heights Churches invite you to Worship with Them

'GOD
Is Our Refuge And Strength,
A Very Present Help In Trouble'

St. Peter Lutheran Church

Sunday: Divine worship at 9:30 and 11 a. m. Sermon: "The Nature of Man's Conversion," Eph. 2: 1-10. Sunday school at 9:30 (local) and 9:15 (branch), H. J. Schroeder, superintendent, F. Colba, assistant.

The Lord's Supper will be observed in the German service beginning at 9 a. m.

The Lutheran Hour, 11:30 a. m. (WGN); 1:45 p. m. (WJJD); and 7:30 p. m. (WIND).

Chicago prayer service, 3:30 p. m.

LENTEN SERVICES:
Lenten service each Wednesday at 8 p. m. Subjects for the remaining Lenten sermons are:

March 14 "I Thirst."

March 21 "It Is Finished."

March 30 (Good Friday) "Father, Into Thy Hands I Commend My Spirit."

The organist, choirs and soloists will offer Lenten music which exalts the theme of the worshipper.

Invitations to hear these sermons are extended to the members and friends of the congregation. Everyone who feels the need of religious guidance is welcome at church always.

St. James Catholic Church

Rev. George J. Stier, pastor of St. James Catholic church, has announced the following Lenten exercises:

Ash Wednesday morning at 8 o'clock, blessing and distribution of holy ashes. The holy ashes will also be distributed after the evening devotions.

Every Wednesday evening at 7:45, special Lenten devotions and sermon. These sermons will be preached by the Rev. Father Elred of the Passionist Missionary Order.

Every Friday evening at 7:45 and every Friday and Sunday afternoon at 2:30, Stations of the Cross.

Holy Mass every morning during the week, at 8 o'clock. Holy Communion will be distributed every morning during the Mass, also on every school day, at 7 o'clock.

Confessions every morning during the week at 7:30; also on Saturdays and the day before the first Friday, from 4 to 5:30 and from 7:30 to 9 o'clock.

Novena devotion in honor of Our Lady of Perpetual Help on the second and fourth Tuesday of the month, at 7:45 p. m.

The Sunday Masses, with accompanying sermon, are 7, 8:30, 10 and 11:30.

"To any and everyone, a most sincere invitation to any or all of these Lenten exercises."

Methodist Church

Mid-week Lenten services at the Methodist church are on the theme "Methodism's D-Day".

March 14 "Wanted Expendables", Dr. James W. Workman, Associate Secretary, Board of Lay Activities.

March 21 "We Shall Return", Dr. Thomas B. Lugg, Treasurer, World Service Commission.

A 6:45 Pot Luck Fellowship Supper precedes these evening devotions. Bring your own dishes and bread and butter. Coffee, cream and sugar will be furnished.

Sunday morning services are on the theme "These Shared His Cross".

9:45 a. m. The Sunday church school is gradually moving toward the goal set up by the planning committee last fall. Every pupil present and on time will enable us to achieve the record. Will your child be there for this important instruction?

11 a. m. The morning worship will be held in the newly decorated sanctuary. You will want to share this experience of the renewal of the truly beautiful aspect of this religion of our Christ. The sermon will continue the series on These Shared the Cross. "The Women Who Lamented Him." The choir will raise their hearts in adoration and singing.

Presbyterian Church

Lenten services are being held at the Arlington Heights Presbyterian church each Wednesday evening during Lent from 7:30 to 8:15 o'clock. The pastor of the church, the Rev. Herman G. McCoy, will speak at these services on the general theme "Great Questions of the Last Week."

The remaining Lenten services are:

March 14 "How Shall We Know the Way?"

March 21 "What Then Shall We Do with Jesus Who is Called the Christ?"

Sunday Services—

Sunday morning worship will begin at 11 o'clock when the pastor will preach on the topic, "The Eighth Commandment," which is on the text, "Thou shalt not bear false witness against thy neighbor." The Westminster choir will sing and there will be a junior sermon.

St. John Evangelical Church

SUNDAY, MARCH 11:

Church school 9:30 a. m. During our Lenten Crusade for Christ we shall look forward toward a decided increase in attendance in each department of the church school.

Morning worship 10:30 a. m. The pastor will deliver the fourth of a series of Lenten sermons on the general theme: "A Plain Man Looks At The Cross," entitled: "How Men Have Interpreted The Cross." Special music by the Chapel Choir.

Wednesday evening mid-week Lenten service at 7:45 p. m. The fifth of a series of beautifully colored slides with illustrated sermon entitled: "Light on a Hilltop—Light Diffused" will be shown. Come and bring the entire family. Old and young alike will enjoy this enlightening Bible picture series. Come and bring your friends! Special music! Mr. Edw. Leicht, Soloist.

Sunday services:

March 11 "How Men Have Interpreted The Cross."

March 18 "The Cost of Our Deliverance."

March 25 "The Manner of Our Deliverance."

Wednesday evenings

March 14 "Light on a Hilltop—Light Diffused."

March 21 "The Passion Play of Oberammergau."

John Y. Beatty to talk on Burbank methods

The methods used by the famous Luther Burbank to create a white blackberry, a spineless cactus, a plumcot (a combination of a plum and an apricot), the Shasta Daisy, and many other new fruits, flowers, and trees will be described by John Y. Beatty who lived and worked with the world's greatest plant improver some thirty years ago.

The lecture will be given before the Arlington Heights Garden Club at the North side grade school at 8 p. m. Wednesday, March 14. It will be illustrated with about 100 natural color photographic slides made on Mr. Burbank's grounds at Santa Rosa, Calif., and elsewhere. Burbank also produced a calla with a sweet odor, a cherry that ripened in February; several varieties of gladiolus, many dahlias, poppies, larkspur, pears, apples, quinces, about 40 varieties of large plums, the Burbank potato, a stoneless prune, a winter rhubarb, and many other useful plants.

Mr. Beatty promises to explain Mr. Burbank's methods in such a way as to enable anyone interested, to produce new varieties of

plants as he did. You can enjoy your garden more if you have an understanding as to how new varieties are produced.

Everyone will be welcome to attend this meeting.

Girl scout news

On February 26 Girl Scout Troop No. 5, Arlington Heights, celebrated its second anniversary with a large birthday cake. Troop 5 is taking part in the Girl Scout fair this Friday night. It is also beginning a library of girl scout books.

On Tuesday, February 27, the Girl Scouts of Troop 1 visited Heald's Sweet Shop where they saw how ice cream is made. This completed the troop's cooking badge.

Mrs. Lena Fehlman entertained Mr. and Mrs. Carl Fellingham and family of Barrington Sunday.

PAGE FOUR

FRIDAY, MARCH 5, 1943

Arlington local news

Mr. and Mrs. E. R. Leicht were guests at the wedding and reception of Gladys Osmondson and George Krauspe at Bethany Lutheran church Saturday evening.

Mrs. W. F. Wagner entertained Mrs. George Syoen and children, Mr. and Mrs. Andrew Horcher and Mrs. Obenauf at dinner Tuesday evening in honor of her birthday. Monday evening Mrs. Wagner was hostess to a few friends at cards.

Mr. and Mrs. Raymond Jahnke are the proud parents of a baby girl born Wednesday morning in the Women's and Children's hospital, Chicago.

Mr. & Mrs. Hy. Cosman married 25 years

Mr. and Mrs. Henry Cosman celebrated their 25th wedding anniversary February 25 at their home on Arlington State Road.

The invocation was given by the Rev. L. Schendel, after which dinner was served to 50 guests at four tables set for the occasion in the dining room. Following the dinner four nieces, Mae, Hank, Dorothy and Inger Marie Cosman and Lorraine Gathman, accompanied by Mrs. Elmer Cosman at the organ, sang "Silver Threads among the Gold", also "God Will Take Care of You" which had been sung at the wedding 25 years ago.

After an address by Pastor Schendel and a few words by Henry Cosman, the evening was spent in the showing of pictures made possible through the kindness of Ruth Senne. The pictures of the boys in service included Sgt. Leonard Gathman and Cpl. Walter Burman, both in Italy; Paul Cosman, honorably discharged; Lt. Marvin Cosman of Oklahoma; Pfc. Earl Cosman of Texas, who was

home and present at the celebration; Daniel Senne, somewhere overseas and also pictures of Hawaii and Mexico. The pictures taken of some of the guests present added much to the enjoyment of the evening.

Leila Kolze of Bensenville, a bridesmaid at the Cosman wedding 25 years ago, gave a reading entitled "Aunt Jemima's Courtship", which was appreciated by everyone.

After refreshments "Blest Be The Tie That Binds" was sung by all present.

Beautiful gifts were received. The guests departed wishing Mr. and Mrs. Cosman many more such happy occasions.

It was also the 56th wedding anniversary of Mr. and Mrs. Ernest Cosman, parents of Henry Cosman, who were present at the celebration.

Elliott-Holt nuptials Saturday at St. Paul church

Due to the number of guests who will be present at the wedding of Pauline Ida Elliott and Mr. Gerald D. Holt in Palatine on Saturday, March 10, the wedding will be held in the Palatine St. Paul church instead of 5 N. Benton st., Palatine.

Once Upon a Time...

Troubadours
sang in praise
of the diamond,
the gem of purity
and truth. Clear,
transparent... it
holds no secrets.

Today...

The flaming brilliance of the diamond is still love's chosen symbol... richly framed in the exquisite setting of hand wrought gold.

LOOK TO THE FUTURE

Arlington Heights' part in solving the problems of wartime has been your job and ours. And when peace spreads over the country like a rainbow, the problems of a peaceful future also will be yours and ours.

We have the leadership, the resources, the opportunity to build soundly and well — to make Arlington Heights the place our boys have dreamed of coming back to. How well we succeed will depend on all of us, and the part we take in making our own community the place we all want to live in.

3 West Campbell Street Ph. Arlington Heights 353

Arlington Heights home bureau

Mrs. Marie Cornelius, Cook county home advisor, talked on "Happiness Through Right Mental Health" at the Arlington Heights home bureau meeting which was held Tuesday evening at the home of Mrs. Rowland Laughlin, 522 S. Chestnut st., Arlington Heights.

Mrs. Don Stockdale of Wheeling unit gave an interesting picture of the Chinese woman, the obscurity of her life in the past and her role in the China of the future.

Just Around the Corner

Dear Mary:

We have received a letter from Palatine which refers to a paragraph you wrote on February 2: "Personally I feel it's a pity that each state, each county, each community, each individual cannot feel responsibility and act accordingly in providing sufficient means to adequately educate their children and give a living wage to their own teachers. I believe we have failed where we have not done so."

Because I agree with the writer and since she has apparently not made a distinction between Mary and Elly as two people with frequently opposing viewpoints, I thought you might want to "answer her back." Here is the letter.

"I think you have missed the point completely, about the need for Federal Aid for our schools. You say that you feel that each community should be able to take care of its educational needs, and allowed to do so. Well, just SAYING that a community should be able to take care of its educational needs, does not necessarily make it so."

"The whole point of the matter, it seems to me, lies in the fact that communities vary greatly in their ability to furnish education to their children. One community can afford only \$50 per year per pupil, while a neighboring one is able to, and does, spend possibly \$500 per pupil, per year."

"Our motto has been, in our country, 'Equal opportunity for all.' Why not let every child, then, have at least the same decent elementary schooling? 'To do this, there will have to be a leveling off, financially. The other way this can be done, is for the national government to make up the difference between what a poor district is able to pay for a good school and what a good school costs."

"The Federal Aid Bill is designed to do just that, as I see it. It leaves control of the funds with local taxpayers. I can't see what objection any enlightened person could possibly have to such a bill."

The letter is signed—Interested in Education.

Your day at the Art Institute was tailor made for you, wasn't it? Ever since Mrs. Collard, with her discussion of art in the school, the home and the community, redirected my attention to my almost total lack of knowledge in this field I have been promising myself a visit to the Art Institute. By the way, Mrs. Collard and Miss

Seek opinions on federal aid bill

Federal Aid to Education is a subject now being nationally discussed. What are your views on it? What do you think about Federal Aid Bill (Senate 181 and H. R. 1296)? Mary and Elly, corresponding editors of "Just Around the Corner" want your letters for their column. Send them to Mary or Elly, c-o this paper.

Louise Joost is married

Miss Louise Joost, daughter of Mrs. William Joost, Arlington Heights, became the bride of Ernest Targe, son of Mr. Henry Targe of Arlington Heights, Tuesday evening, February 27, at the home of the Rev. Gehrs in Elk Grove.

Mr. Walter Joost, brother of the bride, and Miss Pearl Gosch attended the bridal couple.

Following the wedding a reception for about thirty guests was held at the home of the bride's mother.

The young couple will make their home at the present time with Mrs. Joost.

The marriage of Miss Margy Moskal, Arlington Heights, and Bruce G. Murphy, SK3c, of Venice, Florida, took place Monday, February 26, in the First Lutheran church in Chicago. The candle-light service was performed by the Rev. Lewis Moe.

Miss Betty Fearn, cousin of the bride sang "Because" and "I Love You Truly."

The bride was lovely in the traditional white satin gown and veil, and carried a cascade of white gladioli. Mrs. Genevieve Grieschner, matron of honor, and Marilyn Moskal, sister of the bride, as bridesmaids, were dressed in identical pink gowns with blue trim and carried colonial bouquets of pink gladioli.

Henry B. Kerce, Jr. was best man and Sally Grieschner was the usher. The groom and his attendants were dressed in the uniform of the United States Navy.

Following the ceremony a reception and buffet supper were held at 6205 W. Fletcher st., Chicago.

After a brief honeymoon SK3c Murphy left for San Diego. The bride will remain with her parents at the present time.

Beautiful Diamonds

When selecting a diamond go to a dealer in whom you can have confidence. A gift so meaningful must be of lasting and distinctive quality.

OES guest night

Thursday evening, March 8, Arlington Heights chapter No. 992 O. E. S. will observe past officers night. The various stations will be filled by past officers of the chapter.

Mrs. Dorothy Dutton, Jr. past worthy matron and Mr. Harold Hastings, Jr. past worthy patron, will preside in the East.

Mrs. Della Crane will be guest of honor.

This is also the birthday of the chapter and a program of unusual interest is being planned.

Miss Elizabeth Bray, associate conductress, served at Des Plaines chapter Monday evening, February 26, Friends Night, as associate conductress. Miss Myrtle L. Frey and Mrs. Florence Luckner also served on the same evening.

Miss Myrtle L. Frey was hostess to the girls club Friday evening, March 2.

Mrs. Walter Dick entertained the past officers club Tuesday evening, March 6.

Christening

The Rev. M. J. Vondracek officiated Sunday afternoon at the christening of Sharon Lee and Dennis Oliver, children of Mr. and Mrs. Albert Schumaker of Arlington Heights. The christening took place at the Roy Dobbins home, Arlington Heights. A dinner for twenty guests was served in the evening.

Here's the Answer

WASHINGTON, D. C., Feb., 1945.

The meat needs of the Government for war purposes continue up. They are expected to stay up, regardless of how the fighting goes. Fewer meat animals are coming to market. The Army Quartermaster Corps and the Navy Bureau of Supplies will see that our forces get the meat they need. This means:

At least for the next 90 days civilians will get much less meat than at any time since the war began.

Required volume of various vitamins

by C. W. LUSSMAN
of Sieburg Pharmacy
A certain balance of Vitamin "intake" is necessary for continued good health. Whether or not you are getting a sufficient amount can be determined through a physical examination by a doctor.
When you have this information, when you know that deficiency is evident, be sure that you get the needed vitamins and be sure that these are produced by a standard pharmaceutical manufacturer.
The doctor carefully calculates the required volume of quality vitamins to replace a deficiency and correctly spaces the number to be taken to meet individual needs.
This is the 333rd of a series of Editorial advertisements appearing in this paper each week.

DAILY 4:00 TO 6:00
7:00 TO 8:30 p. m.
ALL DAY SATURDAY

To the People of Arlington Heights:

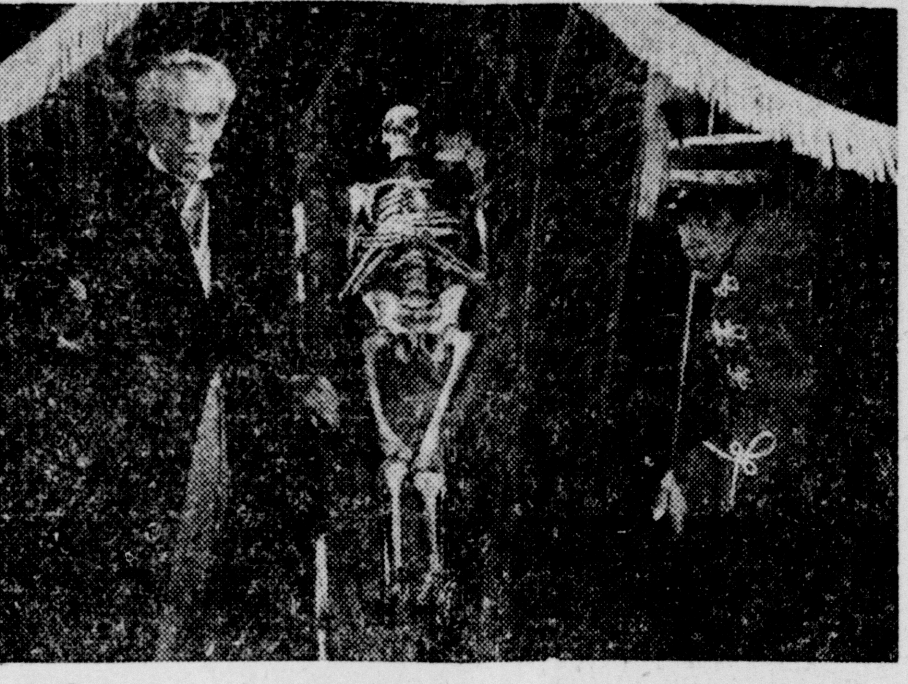

It has been a pleasure to serve you and your families the past 17 years. We have always looked upon our customers as our friends and will miss their greetings across the counter. However, we hope our friendship will continue as a personal relationship between us.

We cheerfully recommend our successors who with mass production at their command will be able to supply a superior ice cream that is certain to become increasingly popular in Arlington Heights.

Many thanks for your patronage the past year and best wishes for your welfare for the years to come is the wish of both of us.

Mr. and Mrs. Gus Heidorn

Two Horror Shows at Arlington

One of the horrific scenes from "House of Frankenstein," starring Boris Karloff, with J. Carrol Nash and Elena Verdugo.

And below . . .
A scene from the super-horror hit "The Mummy's Curse," with Lon Chaney, Virginia Christine, Peter Coe, Kay Harding and Dennis Moore.

Both are coming to the Arlington, one day, Wednesday, March 14th (adults only).

Way back when

30 YEARS AGO—FEB. 26, 1915
Roselle
Neighbors and friends helped Mrs. F. Ebeling celebrate her birthday Sunday.

Mrs. H. J. Martin was hostess to a large number of lady friends at a Washington birthday party at her home Monday afternoon. Misses Esther Neddermeyer, Elsie Sauerman and Emma Ruecker waited on the tables and looked charming in their red, white and blue crepe dresses and caps.
Mr. and Mrs. C. E. Olsen are the happy parents of the "finest girl in the world."
A jolly bunch of 68 friends pleasantly surprised Mr. and Mrs. John Mollenkamp Thursday evening, Feb. 18. Among them were the Misses Anna and Laura Garms, Alice Schnell and Katherine Mollenkamp of Arlington Heights.
Miss Katherine Bollenbach entertained her friends by giving a Washington's birthday party Monday evening.

40 YEARS AGO—MAR. 3, 1905
Palatine
John P. Williams was married to Miss Louise J. Riemschneider in Chicago Wednesday evening. They received congratulations from a host of friends.
Palatine military band, under the direction of Prof. Walter Sears is making rapid progress and will be able to furnish first class music for any occasion this season.

Itasca
The friends of Wm. Baruth got up a pleasant surprise and celebrated his 36th birthday at his home Thursday night.
B. E. Fouast and wife are the proud parents of a bouncing baby born Feb. 23.

Roselle
Herman Niemeyer and Miss Emma Bramer were married at Rodenberg church by Pastor Heine Feb. 26. A grand wedding reception was held at their home.
Mrs. P. Hansen gave a party Sunday evening in honor of her birthday. A very pleasant time was had by all who participated.

ST. PETER LUTHERAN CHURCH
"The Church of the Lutheran Hour"
Luther V. Stephan, M. S. T.
Sunday: Divine worship at 9:30 and 11 a. m. Sermon "The Nature of Man's Conversion," Eph. 2: 1-10. Sunday school at 9:30 (local) and 9:15 (branch). H. J. Schroeder, superintendent, F. Colba, assistant.
The Lord's Supper will be observed in the German service beginning at 9 a. m.
The Lutheran Hour, 11:30 a. m. (WGN) and 7:30 p. m. (WJJD) and 7:30 p. m. (WIND).

Tuesday Girl Scouts, 7 p. m.; boy scouts 7:30. Dorcas Aid 7:30 p. m. Wednesday Red Cross 10 to 5 p. m. Fifth Lenten worship, 8 p. m. Loop Lenten Devotion, 12:10 to 12:40 p. m. Rev. Theo. Nickel.
Thursday: Trouble choir, 8 p. m. Friday L. L. L., 8 p. m.

Hughes warns farmers of soil depletion

A good sized crowd of farmers and their families of this area filled the community room of the Palatine township high school Monday evening for the meeting of the local unit of the farm bureau in cooperation with the Cook County farm bureau State Agricultural College and U. S. Department of Agriculture.

It was an interesting and instructive meeting with motion pictures to illustrate certain features of the program and lectures accompanied by slides to illustrate other features.

The moving picture of the production of pure milk shows how milk is produced in these modern times on modern farms such as those that supply the big cities. The picture showed that dairy farming now is a far cry from what it used to be under haphazard, unsanitary conditions.

On the dairy farms of the present the cow gets as much attention and more than is accorded a \$50,000 race horse. She has sanitary living quarters, sanitary feeding facilities, sanitary water supply and every attention that is imaginable.

The dairy cow gets curried, brushed and rubbed with all the attention that is accorded the highest class horses. She has her hair trimmed and is looked after as becomes the important personage which she has become in the supplying of the best life-giving food in the world—pure milk.

The care that is taken in keeping pails, cans, milking machines, and all the equipment of the dairy in clean and sanitary condition was shown in the films, showing how the food supply is kept pure by constant care and attention to detail.

The subject of Bangs disease and its control was one of the chief topics of the meeting and C. A. Hughes, Cook county farm adviser, told what was being done to control this disease.

It is expected that Cook county will soon have a comprehensive cattle control program in operation with a county veterinarian in charge of the work. That Bangs disease also attacks human beings was shown by some startling statistics.

One doctor tested a number of persons who had arthritis for Bangs disease. Fifty-one per cent of those tested showed indications of the disease. These were vaccinated against the Bangs disease and 90% of the cases were cleared up of their arthritis.

A great amount of study and work needs doing in this fight against Bangs disease and the farmers are just becoming conscious of the menace of this disease.

Soil conservation
Conservation of the soil was another chief topic of the meeting and Mr. Hughes gave some startling figures on soil depletion in Illinois.

250,000 tons of nitrogen a year are removed from Illinois soils and other important soil ingredients, like phosphorus and potash are also being taken out of the soil far faster than they are being replaced.

Illustrations were given on various sorts of crop rotation and soil treatment and the one that seemed to give the greatest returns was the corn, oats, clover rotation coupled with soil treatment. The speakers talked interestingly on the subject of building up the soil and building up and improving the pasture.

All farmers present were urged to purchase all seed, fertilizer and other needed supplies early and get them on to their farms ready for the spring rush.

Shortage of everything, particularly transportation, was emphasized and the farmers were urged to get what they needed early and be ready to hit the ball when the season got right.

Henry L. Moehling, local chairman, thanked the crowd for the fine turnout, told them the farm bureau was making every effort to bring interesting and instructive information to the farmers and invited them over to the cafeteria where Mrs. Louis Rohde, co-chairman, and the ladies of the home bureau would continue the program.

The ladies part of the program consisted of fine farm baked doughnuts and good coffee which the crowd enjoyed to the utmost as they sat around in groups discussing the meeting, farm problems and having a pleasant social hour.

The rainy evening didn't dampen the farmers enthusiasm. They all agreed the rain was just what was needed and they seemed delighted to get it even if they did have to get out in order to attend their meeting.

YESTERDAY and TOMORROW . . . a story of Transportation FIRSTS

GRAND-DADDY OF 'EM ALL!

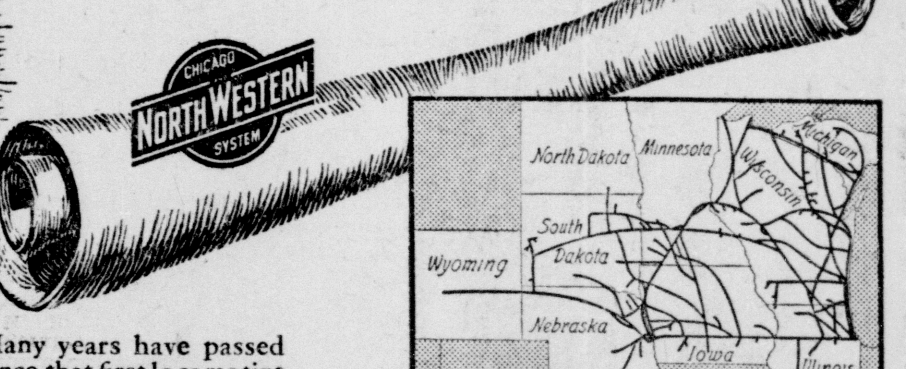

and a magnificent thing to behold

October 10, 1848, was a great day in Chicago, for it was then that the big "Buffalo" came into port with Chicago's first railway locomotive, the "Pioneer," on board.

True, it was a second-hand locomotive, though in excellent condition. Its one pair of driving wheels were directly under the cab; and its 10"-diameter cylinders tilted slightly rearward—the fashion of the day.

It was a magnificent thing to behold! And less than a month later, on its official run, many of Chicago's "Who's Who" made a short run west. There were directors, stockholders, business men and editors—the west's first passengers—who sat on seats fitted hastily into a couple of work cars to experience a new speed thrill.

Thus it was that Chicago and North Western became a living, moving reality.

Many years have passed since that first locomotive—the old "Pioneer"—went into honorable retirement. Today's mighty power plants are busy keeping "new rolling stock" toward final victory. When you travel only when it is absolutely essential you help in this vital work. In the peace days to come, with its postwar plans finding expression in new and even finer equipment, "North Western" will continue to serve—and serve well—the shippers and travelers of America.

The old "Pioneer" is now on display at the Museum of Science and Industry, Jackson Park, Chicago.

88 shell lands in foxhole but proves a dud

From Leghorn, Italy, writes Floyd Jorstad of Mt. Prospect. He was recently injured by a dud artillery shell, and is resting in a hospital in Leghorn, Italy.

"Well I suppose you have already heard that I was wounded. Don't worry because I am getting a leg all right. Boy was I ever lucky. A German 88mm dud landed in my fox hole. It bounced me around a bit but did not hurt me much. All I have is some very noticeable bruises and a dislocated left shoulder. Boy if that thing would have gone off they would still be looking for my dog tags. I think I broke all speed records getting out of that fox hole. I never even knew I was hurt until I tried to crawl away, then I noticed I couldn't move my arm. Even so I moved pretty fast.

"We gave the Krauts a hell of a beating but lost quite a few men doing it. Boy their artillery is sure terrible.

"I am in a hospital in Leghorn and will be here for about four weeks. Where I will go then I don't know. Hope mail catches up to me in a hurry. The last letter I received was written Feb. 3. I have plenty of time here so will write soon again. Tell all my friends to write."

His address is Sgt. Floyd Stanley Jorstad, 36687337, 2628 Hos. Sec., APO 790, % PM, New York.

Luxemburg

From Luxemburg comes word of Ray Meyer of Arlington Heights.

"Up to now I have not met anyone from home, except the boys in my own organization. I understand one of them is home now recuperating. I can't mention his name, but he is Romeo Becker's brother-in-law. (Ed.: Ray means Bob Proebstle, who is back in the States recovering from shrapnel wounds in the arm. These two, plus Warren Henken of Arlington Heights who just this week was reported missing, were all in the same reconnaissance outfit).

"Not too long ago it looked as if I would be able to meet my brother. Ot's at a certain place but the deal fell through when his outfit moved into Germany. At present he has plans of meeting me in another city, but I doubt if I can make it. Met Mel Garms just recently."

His address is T-4 R. F. Meyer, 36726450, APO 403, % PM, New York, N. Y.

Word was received by Mr. and Mrs. John Baril of Palatine that their sons, Sgts. Nels and Clarence, who are serving in armored divisions of Gen. Patton's Third Army, met somewhere in Luxemburg, and spent two happy days together.

The reunion was mutually enjoyed by the boys and both report that they are "feeling wonderful."

The boys hope to meet again soon, as they are not too many miles apart now.

'Sub is safest place in war' - John Warder

John Warder of Palatine writes from overseas where he is stationed aboard a submarine.

"Shortly after my last letter to you (approximately six months ago), I was assigned to a submarine.

"Although it is just a short time that I have been aboard, I have felt, more or less, attached

to it in the sense that it is my home and protection during this war.

"I imagine that it would be difficult for a submariner to go back to surface craft after the experience of living in close quarters, sharing with your shipmate the ever changing moods that are experienced aboard a sub, and also, the informality that is shown only aboard a sub.

"I feel that it is a good life and also a safe one. I would feel satisfied to spend the entirety of the war aboard one.

"Of course, there are times when the men become physically and mentally tired. This is perfectly natural, but with a little rest ashore, they are all set to go again. So much for submariners.

"I would like to express sincere gratitude to the many friends who remembered me at Christmas with packages and cards. As soon as I possibly can, I will write to them all.

"I am glad to hear that so many of the boys have been able to meet their hometown buddies, while being overseas. That is one of the best morale builders of the war. About seven or eight months ago, I had the occasion to meet George Hertz of Palatine."

England

Pvt. Robert Ukleja (Oakley) of Wheeling has been hospitalized for the second time in England. His letter of Feb. 24 says that he is doing fine. He says the English people are very nice to the American servicemen. The weather has been rather rainy but otherwise the climate is pleasant. Bob would like to say hello to all the fellows thru the columns of With Uncle Sam. He has been keeping in touch with his old pal, Edward Glueck, and both boys would like to hear from some of their friends. Their addresses are Pvt. Robert Ukleja, 36712181, U. S. Hospital Plant 4195, APO 635, % PM, New York, N. Y. and Pvt. Edward Glueck, 36657628, APO 96 % PM, San Francisco, Calif.

'Wouldn't pay \$1.50 per acre for Mississippi'

Emmett Doyle of Arlington Heights sends letter this week, telling the history of Camp Shelby, where he is now stationed.

"I wish to extend my whole hearty congratulations to the many folks that have made it possible for me to receive the town paper. I am getting it regularly even though I made a few quick changes as of late. At the present I am pretty well set for a while and I don't know how long it will be but I don't think that it will be as long as it was at Camp Stewart, Georgia, as I was only there 22 months and I hope the war won't last that much longer. I find my work a little different here at Camp Shelby, and I think it will be a little more interesting.

"This state sure gets plenty of rain. I don't think that since I have been in the state of Mississippi that I have found a day that it hasn't rained. The mean annual temperature is 66.66 degrees based on a 40 year average. The

FRIDAY, MARCH 9, 1945

PAGE SEVEN

First word from Iwo Jima

Recognized last week in a metropolitan press picture last week from Iwo Jima is Harold "Boots" Bauer of Arlington Heights. Harold is serving with the 28th regiment of 5th division marines. In the picture he is shown with hand and rifle upraised, standing in front of flag atop Suribachi.

Great Lakes

Two Arlington Heights men are receiving their initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes.

Their recruit training consists of instruction in seamanship, military drill and general Naval procedure. During this period a series of aptitude tests will be taken by the recruits to determine whether they will be assigned to a Naval Service School, to a short station or to immediate duty at sea.

When their recruit training is completed, these men will receive a period of leave. They are: Eugene N. Johnson, 17, son of Mr. and Mrs. Henry T. Johnson, 243 S. Evergreen; Charles W. Murray, 18, son of Mrs. Fern E. Murray, 311 S. Walnut ave.

Washington D. C.

Now attending school at Washington, D. C., is Donald Field of Palatine. He was stationed at Camp Perry, Virginia, but was moved to Capitol Hill just last week. His address is EM3c Donald Field, Class 15 G.I.C. school, Rec. Ship Navy Yard, Washington, D. C.

Brothers meet in Italy

An enlisted man in a public relations office covers a variety of stories in his daily work, but there is nothing in the books to cover the rare assignment of a writer at this 15th air force B-17 flying fortress base in Italy.

Pfc. William J. Hansing was busily writing up P. R. S. stories at his base's public relations office when a voice interrupted the click-clack of the typewriter and asked: "Is it possible to write a story about me?"

That was how Bill met his brother, Cpl. Clarence H. Hansing, whom he had not seen in two years. Naturally they had much to talk about so Bill was given the rest of the day off.

Clarence is an engineer-gunner on a B-17 Flying Fortress and is stationed at another 15th Air Force base. Both brothers, sons of Mr. and Mrs. Arthur Hansing, Ontarioville, attended Elgin high school. Before entering the air corps Bill was employed in the editorial departments of the Elgin Daily Courier-News and the Chicago Daily News, while Clarence was employed by the Elgin, Joliet & Eastern Railroad.

So. Pacific

The climate of the South Pacific has not agreed too well with Sgt. Harold Gershefske of Wheeling. "Heinie" recently spent 3 weeks in the hospital on Guadalcanal. Letters from home would be welcome. His address is Sgt. Harold Gershefske, 36628050, APO 700, % PM, San Francisco, Calif.

The first letter to arrive from Iwo Jima is from Arnold Budlong of Mt. Prospect. Arnold is with the 4th division marines which is known to be on Iwo Jima. The letter is dated Feb. 24.

"Additional reason for believing he is on the island is his mention of the division being a 'hot outfit' and that daily papers should tell of their activities.

"Thought it was about time I dropped you a few lines. After all I think it is the least anybody can do in return for getting all the inside skinny about things back home, plus the whereabouts of old time buddies, thru the Herald.

"I haven't much to contribute other than I'm with the 4th Marine division who is struggling along out here in the South Pacific. It's been a pretty hot outfit in the past and also isn't doing so bad for itself these days. For more detailed information about the 4th pick up a local newspaper and it will no doubt give a detailed account of its activities.

"Haven't run into anyone from around the vicinity of home yet, but have been getting into trouble, with two fellows from Chicago. Trouble is about the only thing that makes life interesting around here and you surely don't have to look for it."

Public relations writer, Pfc. William J. (Right) and his engineer-gunner brother, Cpl. Clarence H. Hansing (left), sons of Mr. and Mrs. Arthur Hansing, Ontarioville, are shown above happily reunited after their meeting at a 15th Air Force B-17 Flying Fortress base in Italy which ended a two year's separation.

Bank nets \$11

Traveling bank at Arlington Heights last week netted \$11. Porvich \$11, bringing the bank total to \$3,641. This week Carl Scholow is driver of the traveling paycar.

Service transferred to the War Department 65,000 acres of the Delta National Forest adjoining Camp Shelby, on the south. This is used for rifle ranges. Most of the 65,000 acres are full of swamps.

"At one time people used to be able to buy timberland for as little as 50c to \$1.50 per acre, but who wanted it then. I wouldn't buy the whole state of Mississippi for that now.

"On February 12, 1945, a high wind of gale proportions was blowing at Camp Shelby, Miss. The flag at Post Headquarters was blown from its mooring and the rain beat it down on this bleak but historic day. Yes, this was Lincoln's birthday and the flag had to be put back, but who could make the proper repairs. None other than Ike McMillan, a colored man, shinnied up the steel, slippery, 95 foot pole and literally flew from the mast head. Lincoln's 14th Amendment freed this man in February, 1945, he temporarily replaced the American flag in commemoration of Lincoln's birthday, a Symbol of freedom. (This above item may be found in either Pic, Look, or some other magazine in the near future, also with the picture of the man on the top of the flag pole).

"I think I have told you all the news for the present so will close for this time and will be looking for mail from the folks back home as well as all other soldiers, sailors and marines love to hear from the folks back home. Their letters will always be answered when they come here as I never let that go when I get a letter I always answer it.

"Received the paper of last Thursday and noticed that Pfc. Paul Hoeft was transferred from Camp Swift, Texas, to Camp Shelby, Miss. I called him up Sunday afternoon and later looked him up.

"He is located on 53rd I. F. ave. in Hq. Btry. of 203rd I. A. R. T. C. I had a few words with him, but he had to eat and I had to go back to M. P. Hq. I told him I would be down to see him again."

His address is Pfc. Emmett J. Doyle, Detachment Corps of Military Police, Camp Shelby, Miss.

Home on furlough

PARENTS of servicemen are asked to contact Bob at publication office, giving details of furloughs, changes in station, and promotions. Servicemen look in these column for news of their buddies. Give us a hand.

Arlington Heights

Arlington Heights ration board reports the following men home on furlough with dates of their return to duty:

Lt. Edward Bird, April 15.
T-5 George Sharp, Mar. 7.
Sgt. Henry Finke, Mar. 12.
Pvt. Leonard Thake, Mar. 16.
Sic Walter Gustavson, Mar. 14.
Lt. Katherine Colvin, Mar. 19.

Bensenville

Bensenville ration board reports the following men home on furlough with dates of their return to duty and camp attended:

Sic Meredith Dobry, Goose Island, Calif., Mar. 8.
CY(T) Charles Plumm, Mar. 18.
Sgt. Newton Smith, Feb. 28.
S2c Frederick Stueve, Great Lakes, Mar. 3.
C/O Lawrence Johnson, New York, Mar. 29.
Pfc. W. M. Merritt, San Benito, Calif., Mar. 2.
Pvt. Clarence Pearson, Texas, Mar. 13.

Mt. Prospect

Mt. Prospect ration board reports the following men home on furlough, with dates of their return to duty:

AS Wm. C. Turner, Mar. 3.
Sgt. William Baum, Mar. 22.
S2c Clifford Harrington, Mar. 9.

Palatine

Barrington ration board reports the following Palatine men home on furlough:

AS Jack Kunze.
Pvt. Clifford Doerfler.
AMM3c Gene Straker.
As Clarence Herr.
Lt. (j. g.) Harris Helgeson.
Lt. K. F. Osborn.

Philippines

From the Philippines comes word of Bill Grismer of Arlington Heights.

"Since writing my last letter things have changed so much that I don't get a chance to write so often.

"I transferred to a different outfit here on the island and like it very much. They keep us busy and that means a lot as the time goes faster.

"Things are quiet here now with the action other places. However we saw plenty of it here while it lasted and it was enough for me for a while.

"I am getting the paper regularly now and it sure is good to see where some of my pals are located. Just keep up the good work as I know all the fellows enjoy reading all those letters.

"I bought a pair of grass slippers and a grass sleeping mat the other day. The mat is very colorful and quite large. The natives use them to sleep on as they don't have any beds but sleep on the floor. They want plenty for the stuff they sell the GI and the sad part about it is that they get plenty for everything. I paid 8 pesos for the shoes which is \$4 in American money and in normal times you could buy the same slippers for 25c in any Philippine store. But this is not normal times.

"It is summer here now and we don't have as much rain as we did, but now we wish we could get rain more often so it would cool off some.

"I noticed some of the fellows' APO numbers but none are near me. Maybe in the future editions I'll be more lucky."

His address is Sgt. Wm. Grismer, 35028092, APO 72, % PM, San Francisco, Calif.

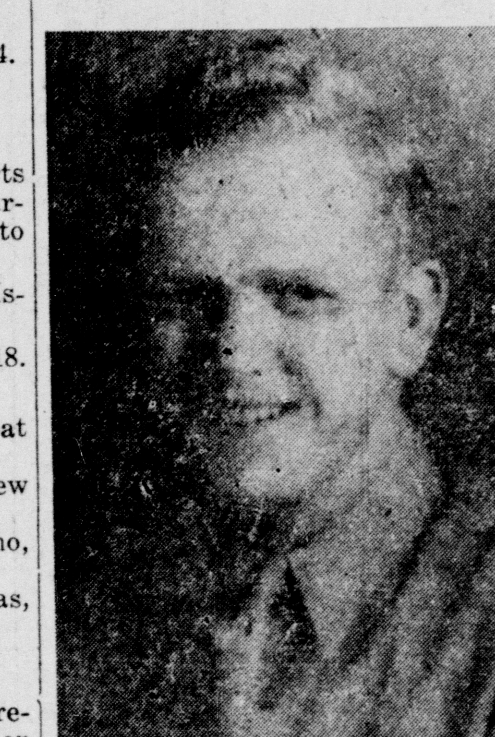

4 PAGES

With Uncle Sam

on 7, 9, 10 and 12

Texas

T-Sgt. Stuart Page, son of John L. Page of Olive st. and Rand rd., Arlington Heights, was graduated last week from the Army Air Forces Central Instructors School at Laredo Army Air Field, Laredo.

Texas, a member of the AAF Training Command. He is now fully qualified to become an instructor at one of the nation's seven aerial gunnery schools.

Stu doesn't know his assignment but plans to be stationed somewhere in the States.

New Guinea

From New Guinea comes word of Hans Bergman of Wheeling.

"Time flies and things move ahead. I received a few copies of the Enterprise. They are most welcome, though a little old. Also, please change my address to the correct APO 322.

"Compared to Guinea our last station, the Fiji, was paradise. The natives had had enough schooling in English to be able to deal with our free spending army. The native police imposed strict fines on all overcharges, which helped some.

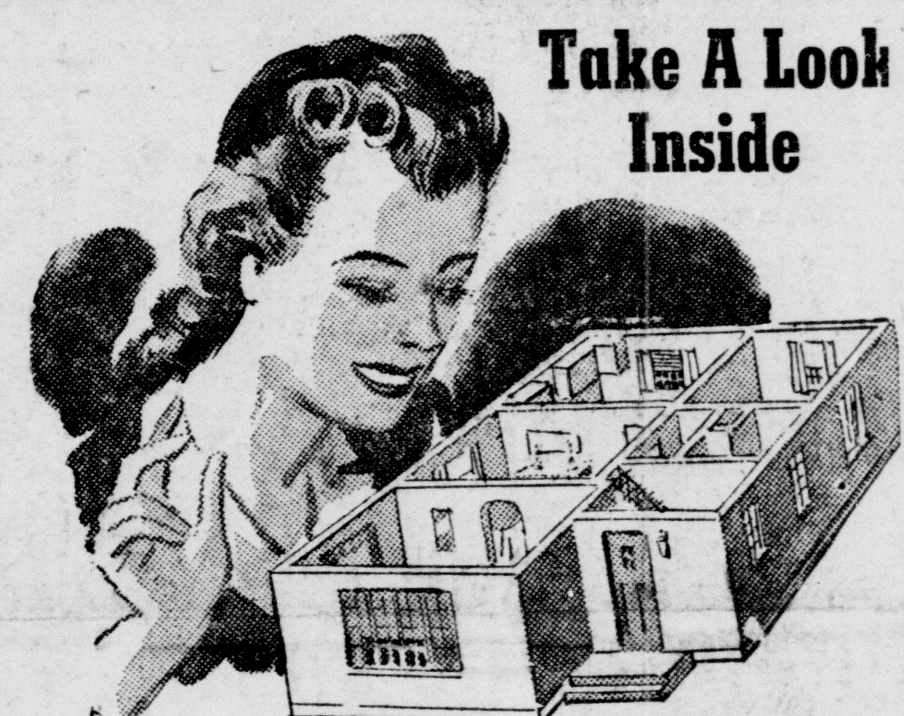

"The climate here is so bad that you could have the entire island for nothing. We have been sailing near the ship here unloading and cleaning up. There are one hundred army men to feed until the job is finished. I will then catch up with my regular outfit.

"The other day when I got up at 4 in the morning to start chow I looked for my shoes, but they were gone. I found them floating outside. If it doesn't rain for 48 hours it's so miserable that you hope heaven will open its sprinkler again. I guess in time your skin takes on added protection for we don't sweat as much as we used to.

"Our quarters used to be a plantation under the coconut trees. It's a nice spot except that the only recreation is swimming in the ocean. There are no towns to visit.

"Now for an image in another word—Wheeling—the Forbach—fully set table—sirloin or chicken. Was that ever? I'm doing my best cooking for the boys, but I'll be glad when it's over."

His address is Pfc. Hans Bergmann, 36753709, APO 322, % PM, New York, N. Y.

ONE-TWO-THREE-FOUR-FIVE-SUGGESTIONS

...to help you make better use of your NEW Telephone Directory

WE TRY to make your telephone directory accurate and complete. These five suggestions, if followed, will increase its usefulness.

- 1 Be sure to discard your OLD telephone directory if it was not collected when the new one was delivered. (Don't destroy it—turn it over with other waste paper to your regular collector.)
- 2 If you have a memo list of numbers called frequently, verify these numbers now by looking in your NEW directory.
- 3 Always consult the directory when not sure of the number.

Calling from memory is a common cause of wrong numbers.

- 4 Look in your directory—don't ask "Information" for numbers listed there. This avoids making two calls instead of one.
- 5 Use the "Classified" section (yellow pages in most directories) to locate wanted products, services or professional help—especially important now that substitutes must be found.

Elgin rallies to win at Dundee

Elgin, the favorite, had to come from behind in both the semi-final game with Crystal Lake and the final against Dundee to win the regional. Crystal Lake was beaten 46-43 and Dundee 46-40.

Elgin trailed Dundee 18-1 in the first quarter but came up strong to trail only 27-25 at the half. The Maroons moved in front in third period and stayed there.

In the semi-finals Crystal Lake almost upset Elgin. The lead alternated for three quarters with the Lakers holding a four point margin with five minutes to play. Then Parker started hitting for Elgin and they gained a six point margin in three minutes. Crystal Lake came back strong to close the gap to one point with a minute to go. Great playing by Hayden and Legel who together scored 31 points was responsible for the close score. The rest of the Crystal Lake team added little. Hayden had 21 points to bring his game total to 43.

Cards beat McHenry but lose to Dundee

Locals win opener, 61-40

Arlington's scrappy Cardinals annexed their 16th victory of the season last Wednesday, against the strong McHenry five, winning by a score of 61-40. Led by big Al Stroker, the Cards jumped off to a 16-12 first quarter lead, a margin which they maintained until the middle of the third quarter, when a tremendous spurt extended the lead to 21 points.

Al Stroker, giant Card center, led the attack with some beautiful offensive and defensive rebounding and scored 16 points. Bill Wille scored ten points and also played a fine game, using his height to good advantage. McCracken of McHenry was the high scorer of the game with 24 points.

Pirate lights start slow but finish strong

Palatine's lightweights came through strong, after a shaky start to win second place in the league with an 8-2 record and a mark of 11 victories against six defeats in all lightweight games played. After Christmas Palatine lost no lightweight games except to Arlington Heights. The junior Pirates lost to Maine, Bensenville, Barrington and to Arlington three times.

The early season was one of experimentation with various combinations and the inconsistent playing of most of the boys held the team back until January when the combination of Gustafson, Kolze, LeBaron, Howes, and Frey became the regular five and set a very fast pace. Leon LeBaron proved to be the most improved performer for the year. Dick Kolze was the most consistent scorer, being a regular all season, he collected 123 points in 17 games. Ray Howes was outstanding in the late games of the season. He played part time with the varsity as a reserve and won a major letter.

Other boys who won minor letters were Richard Pepper, freshman forward; Lynn Thompson, junior forward; William Knigge, sophomore guard; Harry Gustafson, sophomore forward; Richard Kolze, sophomore forward; Leon LeBaron, sophomore center; and John Frey, junior guard, were the lightweight regulars completing the list of eight award winners.

Host school proves easiest for Trojans

Niles gained the distinction of being the first Northeast Conference school to win a regional by defeating Waukegan the host school in the regional finals last Friday 41-33. The Trojans who have a long string of victories without a defeat since the Christmas holidays upset Evanston 35-34 in the opening round and nosed out Libertyville of their own league 32-29 in the semi-finals. Their final tilt against one of the top 15 in the state rankings was the easiest for Coach Mackey's team.

In nearly every game the Trojans came from behind to win. They trailed most of the Evanston game though leading 13-11 at the half. With but 30 seconds to play and Evanston leading 34-33, Jonny Lane, six foot four center of the Niles team was fouled and sank both free throws. Williams, six foot four inch sophomore forward, scored nine points while Lane and Anderson sank eight. Niles' free throwing with 17 good out of 26 decided the game.

Libertyville likewise was good on free throws with 15 out of 25 in their win over Highland Park. The Wildcats led 19-16 at the half. Drake and Erickson at guards were Libertyville's top scorers.

In the semi-finals Niles was in front of Bergstrom's Wildcats 15-12 at the half but the Cats tied the count at 29 all with a minute to go. Johnny Lane again came through in the pinch with a field goal and Nachbauer dropped a free throw to clinch the game.

Mac Says

A Comprehensive Review and Analysis of the Sports News of the Week

GERALD A. McELROY

The prestige of the Northeast Conference in suburban basketball was given a decided boost by the developments of the past week. The first four teams in the league all survived the first round of the Elgin and Waukegan regional tournaments as Niles whipped a powerful Evanston team, Crystal Lake swamped Grant, Libertyville defeated Highland Park, and Arlington ran away with McHenry.

Then in the semi-finals Niles beat Libertyville by three points and went on to beat favored Waukegan by eight points to cop the regional title. Both Waukegan and Evanston had appeared frequently during the season in the 15 highest rated teams in Illinois. At Dundee Crystal Lake lost by only three points to Elgin, the regional winner and a team currently rated fifth in the state. With a break or two Crystal Lake could have won the regional. Arlington's 53-30 loss to Dundee coupled with the showing of the other three top Northeast teams explains Arlington's fourth place finish.

Niles, a long shot winner

The night of the Niles-Evanston game Waukegan News-Sun carried a story stating that this column had picked Niles to upset Evanston. We picked a long shot that time but we never dreamed the Trojans would have the stuff to get by Waukegan as well. Losing three of their first four conference games to Leyden, Libertyville and Crystal Lake Coach Mackey's Niles team set a fast pace after the holidays that was a consecutive string of nothing but victories and they are still going and they have our best wishes for sectional tourney success. Only one senior on that Niles team. Looks bad for other Northeasters next year.

Big track meets coming in Chicago area

Track is getting the headlines on an equal basis with basketball just now as the cage season is in its closing weeks and the indoor track season in full swing. Saturday the Big Ten will hold its annual indoor meet at the University of Chicago Field House. The following week comes the famous Chicago Relays at the Stadium. A week later on Saturday the biggest high school indoor meet in the country is on at Oak Park in their annual relays.

Illini may win big 10 meet Saturday

PAGE EIGHT FRIDAY, MARCH 9, 1945

Card alumni beat Ela

The town of Arlington Heights can be justly proud of the high school alumni basketball team which displayed true team spirit and enabled them to defeat the Ela high school alumni team by a score of 46 to 45 in a three minute overtime contest last week Saturday night at the high school gym.

Overcoming a lead of 21 to 16 at the end of the first half, Arlington came back in the second half full of pep and determination and scored 26 points to tie their opponents with a score of 42. In a hotly contested three minute overtime period they scored 4 points to Ela's 3 to win the contest.

Peeters was top counter for Arlington with 15 points, and Kropp led the scoring for Ela with 16 points.

The fact that the Arlington team was assembled in less than a week's time and that the boys had no practice whatever as a team, makes the victory all the more remarkable.

Mac isn't talking about it, but we know he picked Niles to beat Evanston in the Regional two weeks ago. Coach Mackey's team did just that, though it took two free throws in the final 30 seconds to accomplish the trick. State authorities rated the game the biggest upset of the week.

outstanding player in the Dundee regional tournament to our way of thinking. The little left hander stood out in a tourney of star players and against Elgin scored 21 points, all of which he earned. This added to the 22 scored in the opening game against Grant gave him 43 for two contests. His team mate Harold Legel, junior guard, was another real stand out in our opinion as a rebounder, passer and basket shot. Along with this pair we would list Parker of Elgin as the outstanding center in the meet and in this entire suburban area. We thought that Garrison at guard was Dundee's smoothest performer.

Lane delivers in the pinch

John Lane of Niles is a real money player and mighty tough in the pinch. He scored both free throws when both were needed to beat Evanston with 30 seconds to play. He scored a field goal to break a final minute tie with Libertyville. The Trojans resume tourney play at the Elgin sectional Thursday, meeting Wheaton in the opening game.

We expected Elgin to be stronger

Maybe it was Dundee's small floor that hampered Elgin but we did not think they were nearly as strong as Big Eight champs usually prove to be. They had a plenty tough time winning their regional. We do not think they will win the sectional. We are picking Wheaton who twice conquered Dundee in winning the Little Seven but we are pulling for Niles to keep up their winning streak. The tourney involving just four regional winners opens Thursday with Niles opposing Wheaton at 7:30 and Elgin meeting Waterman at 8:45. Waterman is the weakest of the four. Elgin rules as favorite with Wheaton second. Morton who won the Elmhurst regional with a 38-36 win over strong Riverside has been sent to the Joliet sectional thus making the Elgin sectional weaker than expected.

Four big eight teams survive regionals

Four members of the Big Eight Conference survived regional play last week and three might go to the state. Joliet, Elgin, East Rockford and Freeport are the quartet. The latter two meet in the first round at Rockford Thursday. Morton is the only Suburban League team still in the running. The West Suburban teams have all been defeated. One member of the Northeast Conference, Niles, is still in the running as is Wheaton, lone survivor of the Little Seven. Kankakee is the only South Suburban survivor.

Northwest scoring records next week

We hoped to have the complete list of individual scorers in the Northeast Conference for the season just passed published in this

Pirates end season with 11-all record

Finish league with 7-3 score

Palatine's varsity cage squad coached by J. E. Stutzman enjoyed a good season, finishing third in the Northwest Conference with a 7-3 rating and a 11-11 mark in all games played for the full schedule. The Pirates were a strong defensive unit, leading the league in this respect, but lacked the scoring punch to win many non-league contests.

Clarence Vogt was the only boy available this year having previous first team experience and it was this that handicapped the team a great part of the season. After a slump in January the Pirates finished very strong by whipping Grant, Waukegan and Barrington in a row and giving Elgin a real battle in the regional tourney. The loss of Roger Smith, spark plug of the team, for three weeks in January due to an injury sent Palatine into the slump. Smith, a junior, pushed Vogt for scoring honors. Vogt got 149 and Smith 124. Toppel at center was the best scorer in the last part of the season after a slow start. Palatine had two of the most consistent guards in years in Hapke and Kinsch who each scored 52 points and for the season as a whole were Palatine's most consistent players. Kinsch was rated an all-conference selection. Birks subbed at forward and Rose and Howes filled in at guard. The Pirates won third in the conference holiday tournament at Waukegan. Smith, Toppel, Birks, and Howes will be back next year among the eight

lettermen and a considerably better record is to be expected with this experience. A number of lightweight regulars will push this quartet for first team positions and Coach Stutzman is optimistic about the 1945-46 season and well pleased with the one that is just concluded.

SENIORS DEFEAT PALATINE MEET JUNIORS IN

The Palatine high seniors came from behind a 23-12 half time score to defeat the juniors 30-29 in the finals of the interclass tournament Tuesday afternoon. The juniors had a six point lead going into the last quarter but faded badly while Kinsch, Hapke, Moody, and Jost scored the points to tie up the score with two minutes to play. Kinsch sank the winning free throw on Smith's fifth foul.

Kinsch was high for the seniors with 11 points while Howes got 14 for the juniors.

The sophomores easily beat the freshmen 68-29 in the consolation game as Birks got 29 points and Kolze 23. Pepper, with nine, and Hamker with six, were the Fresh point leaders.

In the first round Monday juniors beat the Freshmen 65-25 as Toppel scored 21 and Smith 18. The seniors whipped the Sophomores in a slow, poorly played game, 26-13.

BRIDES TO BE

Licensed in Chicago: Frank Weiland, 31, Skokie, Ruth Weser, 28, Hubbard Woods. Sherman R. Weier, 33, Monroe, Mich., Hazel Sciarretta, 29, Glenview.

CHARLEY PAGE WAS REDBIRD'S HIGH SCORER FOR THE SEASON WITH 219 POINTS. Henry Ehard and Al Stroker followed with 136 and 127 points.

HEIGHTS LUTHERAN BOYS WIN TOURNEY

Defeating St. Andrew Lutheran School of Chicago gave the St. Peter Lutheran boys of Arlington Heights the championship in the fourth annual Lutheran School tournament at Concordia Teachers College, River Forest.

Pick Wheaton, pull for Niles at Elgin meet

The Elgin Sectional tournament opens Thursday night with Niles versus Wheaton and Elgin versus Waterman. The final game will be played Friday night at 8:00 p. m. with an entry in the "Sweet Sixteen" the state tournament prize for the winner. The past two years Elgin has taken the sectional. In 1943 the Kraft coached Maroons finished fourth in the state. A year ago they were beaten by Taylorville in the final.

Three of the Elgin sectional teams have not received much state wide publicity during the past season and have not appeared in the highest 15 ratings. However when it comes to the tournament season the teams that are reaching their peak are the ones to watch. Niles, Wheaton and Waterman have all been coming up stronger week by week during January and February. Their schedules have not pitted them against the top ranking fives in the state and so they have been greatly under rated.

Seniors defeat Palatine meet Juniors in

The Palatine high seniors came from behind a 23-12 half time score to defeat the juniors 30-29 in the finals of the interclass tournament Tuesday afternoon. The juniors had a six point lead going into the last quarter but faded badly while Kinsch, Hapke, Moody, and Jost scored the points to tie up the score with two minutes to play. Kinsch sank the winning free throw on Smith's fifth foul.

Kinsch was high for the seniors with 11 points while Howes got 14 for the juniors.

HEIGHTS LUTHERAN BOYS WIN TOURNEY

Defeating St. Andrew Lutheran School of Chicago gave the St. Peter Lutheran boys of Arlington Heights the championship in the fourth annual Lutheran School tournament at Concordia Teachers College, River Forest.

Ten teams from Lutheran Schools of the Chicago area were entered in the tournament. The Arlington boys accepted a bye in the first round and defeated St. Paul, Melrose Park 32 to 15 to enter the semi-finals February 24.

Saturday, March 3, the boys of St. Peter earned their place in the finals by overpowering 33 to 21, an Oak Park team which had two previous victories in the tournament. The finals were at 2:00 p. m. the same day. St. Andrew school from Chicago, southside, put up a good fight. St. Peter led by only one point at the half-time. While the Chicago boys were scoreless during the third quarter the Arlington five built up a safe lead which they held to the end. Final score was St. Peter 24, St. Andrew 17.

Orville Schaeffer and Lloyd Meyer led the scoring of the St. Peter team. There was also outstanding play by Ronnie Oberman, Alvin Kehe, and Jimmie Fricke. Five other boys who had a share in bringing the trophy home were Roger Meyer, Robert Schoenbeck, August Krause, "Pinky" Schroeder, and Bruce Stoneking.

issue but our records are still a little incomplete. They definitely will be printed in the next issue.

Arlington-Palatine dates set next year

Last week contracts were drawn for next season's Arlington-Palatine basketball games. The Pirates will play at Arlington on Saturday, January 5 and the Cardinals will play at Palatine Saturday, February 18 in the final home game of the season for the Pirates.

Has 240 hours over Nazis

Staff Sergeant Charles W. Ross, 28, whose wife lives in Arlington Heights, waist gunner on the B-17 Flying Fortress "Carefree Lady," has recently passed a milestone in his flying career. Completing over 240 combat hours, traversing approximately 30,000 miles, he has helped his bomber fight its way through severe enemy opposition to drop more than 150,000 pounds of high explosives on Nazi industrial and military installations deep in Germany.

Sgt. Ross, who has received the Air Medal with four Oak Leaf Clusters for "meritorious achievement" in aerial combat, is a member of the 452nd Bomb. Group, a unit of the Third Air Division—the division cited by the President for its now historic England-to-Africa shuttle bombing of a Messerschmitt aircraft factory at Regensburg, Germany.

As American ground forces fought their way into Germany, the Eighth Air Force stepped up the intensity of its attacks on the Reich. Sgt. Ross flew on many of these assaults directed against vital oil refineries in an attempt to

Staff Sergeant Charles W. Ross, 28, whose wife lives in Arlington Heights, waist gunner on the B-17 Flying Fortress "Carefree Lady," has recently passed a milestone in his flying career.

Deadline

Deadline for news for With Uncle Sam is Tuesday at 5 of each week. Pictures, letters or news of servicemen should be mailed or called direct to the publication office. Cooperation of the folks at home is sought to make a bigger and better With Uncle Sam.

drain the "lifeblood" of the Nazi war machine. He considers the bombing of oil refineries at Regensburg to be his toughest mission.

"The flak was just a little too close for comfort and as we drew nearer to the target, it increased in intensity," he recalled. "After a while, I was almost convinced that every anti-aircraft gun in Germany was firing at us."

"We were fortunate enough not to have received any major damage, but we did sweat out a smoking engine all the way back to the base," he concluded.

His wife, Mrs. Dorothy Ross, lives at Arlington Heights. The son of Mr. and Mrs. Arthur Ross of Saugatuck, Michigan, he was a steel inspector for the National Malliabe Iron and Steel Corp. in Cicero before entering the AAF in February, 1944.

France

From France comes word of Wally Volz of Arlington Heights. "Sure would appreciate some mail from my friends at home. I hope to run into Duke Kopplin over here. How's everything going in good old Arlington?"

His address is: S-Sgt. Wallace Volz, 39067370, APO 18085, 4 PM, New York, N. Y.

Hoping to hear from friends is Kenneth Heimlich of Arlington Heights. He was wounded in Luxembourg January 26. His address is Pfc. Kenneth Heimlich, 36765091, Hosp. Plant 4296, APO 517, 4 PM, New York, N. Y.

Marvin Harris of Arlington Heights is now in France. His address is Pvt. Marvin Harris, 3666-5421, APO 562, 4 PM, New York, N. Y.

Roy Almdale bronze star

Roy W. Almdale, son of Mr. and Mrs. John Almdale, 300 Olive ave., Prospect Heights, has been awarded a bronze star medal for heroic achievement, according to the following citation received by his parents:

"First Lieutenant Roy W. Almdale, 0-387506, 67th Armored Regiment, United States Army. For heroic achievement in action against the enemy on Oct. 19, 1944, in Germany. During this action, Mortar Platoon of Headquarters Company, 3rd Battalion, 67th Armored Regiment, was subjected to intense artillery fire. Upon realizing that three foxholes in the vicinity of his own had received direct hits, First Lieutenant Almdale left the comparative safety of his foxhole in a vain attempt to secure medical aid.

"When his communication to the medical detachment failed, he crawled to the foxholes of three of his men and, while under a deadly artillery barrage, uncovered them from the debris. One of the men was unconscious (The Battalion surgeon, on examining this man later, declared that if he had not been uncovered immediately, he would have died of suffocation). The other two soldiers were badly shaken.

First Lieutenant Almdale then made his way to the forward CP and reported the situation, later returning to his platoon to reorganize the remaining elements, bolster the shaken men's spirits and make them ready for an effective defensive position that night.

"The valor and courage displayed by First Lieutenant Almdale reflect great credit upon himself, and are in keeping with the highest traditions of the military service."

Almdale entered service Feb. 4, 1942, as a Second Lieutenant, and

Gulf

From somewhere in the Gulf of Mexico comes word of Joe Smart of Arlington Heights.

"By the time you get this I'll be well I don't know where I'll be. Most likely out to sea, on our way for a visit with Tojo. Oh yes, sailing over the ocean blue.

With half of us sick
In a sea-sick crew.

"That's right, I'm not poet and thank heavens I haven't really been seasick yet. Our ship, the LSM (landing ship medium) has no keel and consequently is very rough riding. It bounces around like a rubber ball in a hurricane. It is built like that to go far in on coral beaches to put tanks ashore.

"A good description of an LSM is a shoe box with a flap opening in the front and a tin can in the middle on the right side representing the bridge or conning tower.

"Have had quite a few liberties down here. Been in such towns as Houston, Galveston, Gulfport, Miss., and New Orleans. However, I'll take Chicago any time."

His address is: Joe Smart S1C RM, 944-67-72, 4 PM, New York, N. Y.

Hawaii

From Hawaii comes a copy of the Redlander, Honolulu army newspaper. Included in its pages is a picture of the Engineer Dragons bowling team of the Provisional Engineer Depot Battalion. Jack Wise of Arlington Heights is a member of the team, and is included in the picture.

was sent overseas as soon as he received his bars, and commission as a First Lieutenant. He has seen action in North Africa, Sicily, Italy, France, Belgium and Germany.

Jap-American medics aid wounded on the field

No group of men is held in higher esteem by the infantrymen of the 442nd Japanese-American Combat Team than their own Medical Detachment. Working with the Combat Team in the French Alps along the Franco-Italian border, a sector of Lt. Jacob L. Deviers' 6th Army Group front, the medics are accompanying the combat and reconnaissance patrols on hazardous missions through the Alpine wilderness always prepared to render service regardless of the situation. Cpl. Victor Izui, R. 1, Arlington Heights, is a member of the medical detachment.

They have always responded to the call of the wounded, though their response might mean death to themselves. This was particularly true during the desperate battles for the approaches to the Italian seaport of Leghorn. The Japanese-American Combat Team suffered heavy losses from machine gun, mortar and artillery fire from prepared German positions. The fact that the wounded were often lying in the direct line of fire, or in the midst of artillery or mortar barrages, did not deter the company aid men of the medical detachment from crawling out to their aid, treating them and evacuating them to places of safety.

The riflemen still tell the story of the medic who crawled within 35 yards of an enemy artillery piece, hastily dressed a fallen doughboy's wounds and dragged the injured soldier over 75 yards to the protection of some shrubs.

In France the medics have administered blood plasma right on the battlefield, dressed wounds and

applied tourniquets while artillery bursts showered shrapnel and broken branches around them, evacuated the wounded in the face of enemy small arms and machine gun fire. Once, when advance troops of one of the Japanese-American battalions were cut off from the rest of the regiment, a litter team attempted to evacuate the more seriously wounded through enemy territory. Most of the team are now listed as missing in action.

Kansas

Changing stations week by week is Burgess Field of Palatine. Burgess went to Cuba for four weeks, then back to Kansas, now over to Nebraska, but will be back in Kansas again soon. He reports all mail should be addressed to Kansas, though he expects to leave for Cuba again soon.

His address is: 2nd Lt. Burgess A. Field, 303rd Bomb Crew, 457th Bomb Sq, WAAF, Victoria, Kans.

Belgium

From Belgium comes word of George Herrmann of Palatine.

"I am receiving the Palatine Enterprise regularly now. A while back, I received 10 issues at once, but that was due to my having changed APOs three times in 2 weeks. The mail call that delivers my home town paper to me is very special. It's just like receiving dozens of letters at once.

"I am a conductor of a train crew and we are operating under what might be mildly termed as adverse conditions. We are using diesel power, but the road beds are far from being the best, and while we can haul real tonnage, trains, we are forced to proceed at restricted speed. However, traveling slow does have its advantages. When things get 'hot' we can hit the ground and hug earth, but hard. Last night we had to take our diesel to the shop.

"Our living conditions are not too bad. We have a dry and warm place to sleep and there are some quartermaster showers near our living quarters. We eat fairly regular and get a lot less Spam than we used to."

His address is: Sgt. George Herrmann, 36744207, APO 228, 4 PM, New York, N. Y.

Texas

Changing his address at Fort Bliss, Texas, is Walter Linneweh of Mt. Prospect.

"Please change my address on the Palatine Enterprise. Our unit has broken up and we are not at the same place, but still in anti-air craft."

"The paper has been coming every week and is enjoyed by all in this hut. So keep it up. I'm always waiting Mondays for it to arrive."

His newest address is Cpl. Walter Linneweh, Gun Det. No. 3, AAAS Troops, (Casual Det), Fort Bliss, Texas.

Home on furlough from Camp Hood, Texas, last week was Earl Cosman of Mt. Prospect. Earl arrived home February 23, and left again Tuesday. He expected to be shipped out, probably to the Pacific, soon after reporting back to Texas.

His present address is Pfc. Earl Cosman, Hq. Co No. 1, IRTC, Camp Hood, Texas.

Now back at Big Spring, Tex., is L. F. Haberkamp of Roselle.

"Having been returned to my original station and line of duty, I would like to inform you to kindly send the Roselle Register to me at the following address."

His address is: Cpl. L. F. Haberkamp, Squadron E, 2509th A. A. F. B. U., Big Spring, Tex.

From Camp Hood, Texas, comes word of Paul Jewell of Bensenville. "This army life isn't too bad. In fact, I'm beginning to enjoy it. Weather down here is nice and warm, and it's sure a break to finish the winter here."

His address is Pvt. Paul Jewell, C-152-91, Regt. IRTC, Camp Hood, Texas.

Now returned to Camp Maxey, Texas, is Larry Schwartz of Arlington Heights. Larry was home a few days but has returned, taking his wife with him.

France

Warrant Officer, (jg) Leslie Deverman of Palatine is now somewhere in France and is on the move to another destination

with the 226th general hospital unit. He made a tour of Paris recently.

Les has written that he is stationed with the hospital unit at Rheims.

From France comes word of Wilbert Grandt of Arlington Heights.

"Have been on the move. Rejoined my outfit, saw more combat, and my feet went bad on me. Am now in the hospital with trench foot. I left my company about 4 miles from the Rhine, and, boy, old Jerry still has plenty of fight left in him."

"Saw Bill Langhorst in England and it sure was swell to see someone from home. Tried to see Walley Heinemann, but couldn't. Heard from his buddies that he is well and going strong again."

His address is Pfc. Wilbert Grandt, 36372232, APO 28, % PM, New York, N. Y.

From the 7th army front comes word of Leo Specht of Arlington Heights.

"Just a line to let you know I am fine and I want to thank you for the paper. I get it every week now. I was given the bronze star for fixing telephone wires under large and small artillery and rifle fire. They threw everything but the kitchen sink at us."

"Our company commander said we could say we are in the army. Here's hoping I hear from some of the folks from Heights."

His address is Pfc. Leo E. Specht, 36738133, APO 44, % PM, New York, N. Y.

From France comes word of John Hinnitt of Arlington Heights.

"Wish I could tell you of my whereabouts at present. Have seen some interesting sights, many that weren't so nice. We are living in tents, writing by candlelight. That's pretty hard."

"There's more mud around here than you can shake a stick at. Seems to rain all the time. Give me Illinois any time. Wish I could talk French. Bet these people think we're all a bunch of dummies the way we stand around and gawk."

His address is Cpl. John Hinnitt, 36623664, APO 354, % PM, New York, N. Y.

Changing his address in a hospital in France is Harold Nebel of Arlington Heights.

Harold was riding in a jeep when it was hit by a truck in France December 15. He sustained face scratches, bruises, and an injured knee. At present the knee is still in a cast.

Harold asks for mail. His address is Sgt. Harold Nebel, 15109-163, Det. of Pat., 4416 USA Hosp. Plant, APO 772, c-o P-1, New York, N. Y.

Pfc. Ward Wente of Palatine, with Patton's 3rd Army, was hospitalized with pneumonia 3 months. On the way from the hospital he was placed in a French home. When he got out of the truck one of the fellows said his brother-in-law, Frank Faachs, was there waiting for him. Frank left the states about 6 weeks ago and has been placed in Ward's infantry company.

Pfc. Robert C. Hatch of 214 S. Elmhurst avenue, Mt. Prospect, is now in a hospital in France with frost bitten feet, after nearly being captured by the enemy. He was previously wounded twice by mortar shell fragments while in action, and has sent home the Purple Heart to his parents, Mr. and Mrs. Arnold Hatch of Mt. Prospect.

From France comes word of Sgt. Robert Schaer of Northbrook. "Our jeep recently overturned and my leg was badly bruised. Seeing the medicine made in Baxter laboratories at home sure made me think of home. Am o. k. now and ready for the front lines again."

BAR man with a grudge mows down 70 Germans

For Wilbur C. Miller of Des Plaines, this war was his personal grudge fight.

The 329th Inf. BAR man didn't ever leave any doubts in anyone's mind as to the degree of his hate for the Germans. Back in Normandy, in the hedgerow days, he revelled in slaughtering SS men and Nazi paratroopers.

When a Jerry slug got him in the hip, he used to lie awake nights in the hospital praying for an early cure, so he could get back into the line and kill more Germans.

His wound healed, he rejoined his outfit. Because he still walked with a limp, his name came up three times for reassignment to limited service. Each time he pleaded to stay with his squad and his BAR.

He won his plea. He stayed with the 83rd. And at Birel, west of Duren, he finally settled his score.

The division had laid siege to the town, and the Nazis countered with an attack of their own. Miller, in the van of the men facing the Nazi onrush, moved out of concealment toward the point of the attack.

His first objective was a trench

which contained a score of Germans. He reached it by keeping the Nazis' heads down with a BAR lead shower. Once he got to the trench he killed every German in it.

Miller waited in the bloody trench for the next wave of Germans. When they advanced, more than 40 strong, he mowed them down, too.

His firepower was so devastating that he forced 80 Nazis, behind the 40, to surrender. Above the coughing of his gun, his buddies could hear him yelling,

"Come on, you Heinies, come on out, and get it."

Miller was so absorbed he didn't notice the German who had sneaked up on his flank with a potato masher grenade. He was killed immediately.

His comrades, counting up the measure of his hate, reported that Miller killed or wounded at least 70 Germans and, almost single-handed, had smashed the counterattack. In addition to winning the Silver Star and a posthumous recommendation for the DSC, they figure he evened up the grudge he had against the Germans — plus a little bit extra.

Philippines

Speaking about his PT boat in the Philippines this week is Bob Machnik of Arlington Heights. One of the jobs the PTs played in the invasion of Luzon was told last week by Sic Eddie Luehring when they damaged one and chased both Jap destroyers which made an effort to destroy American mine sweepers clearing the path for the U. S. invasion.

"No doubt all you folks back home have read about the engagements the PTs have been in here in the Philippines and of the work they've been doing."

"First of all I'd like to tell a bit about our boat. As in other branches of the Navy, a fellow takes great pride in his own branch, and this holds true in my case. Our boat is a beautiful boat with speed to match. It has seen some very thick action and has come through in great style. The number of guns we mount isn't to be released, but you can sure bet old Tojo gets our warmest reception when ever he visits."

"The members of the crew are a great gang of fellows and more than willing to do their part. Our boat has a top notch gun crew which I am proud to be a member of."

"The Filipinos treat us grand. Every Sunday they have the best of times, like dancing, cock fights, etc. Just the other Sunday we stopped at a small village and were invited to their dance. I was very surprised when I arrived at the dance as all the girls were dressed in elaborate colored gowns. The music also was swell. It was furnished by a small band which played good American music. The only trouble was the evening came to an end too soon."

"Yes the Philippines is a nice place but I'm looking forward to seeing those good old Golden Gates and home."

His address is Robert L. Machnik Sic, % FPO, San Francisco, Calif.

Staff Sgt. Herbert Shermer of Palatine left last week for San Francisco to return to the Philippines. He had been home on a 30 day furlough plus two weeks extension.

Now in the Philippines is John Rohling of Arlington Heights. His address is Sgt. John Rohling, 36359435, APO 321, % PM, San Francisco, Calif.

Bob Dolatowski of Palatine gets around with the Navy, and we're putting him in the Philippines, his last known location. Bob reports he has been in the Carolines, Marshalls, Guam, Leyte and Luzon.

Serving aboard an LCT in the Philippines is Clifford Baril of Palatine. He reports that he is kept plenty busy, but that he is o. k.

Oscar Laurance, TM3c, of Wheeling is now stationed in the Philippines on coast patrol duty. Letters would be very welcome, address FPO, San Francisco.

Burma

From Burma comes word of Harold Dobbins of Arlington Heights.

"Certainly was surprised to hear that my name was put up on the traveling bank. That bank has been a tremendous help in raising the morale of the boys overseas. I appreciate receiving the money. Everything is going along swell here."

His address is Pvt. Harold Dobbins, 36657531, APO 659, % PM, New York, N. Y.

Oahu

Now on Oahu is Richard Gathman of Palatine. His address is Pvt. Richard Gathman, 36730781, APO 957, % PM, San Francisco, Calif.

Write 'em now

Unit and ship designations are not permitted in publication of overseas addresses. Complete mailing address of many of the boys in service can be obtained by calling publication office. ARL Hts. 1520. Ask for Bob.

Bunks in 200-year-old Belgian barn

From Belgium this week comes word of Aaron Beauchamp, formerly of Bensenville. He is the son-in-law of Mr. and Mrs. Herbert Stellman, formerly of Bensenville.

"Another day and I'm still sleeping in this nice cool barn. This 15 watt bulb sure doesn't throw much light on the subject, but it has to do. I'll write till I can't see anymore."

"Nothing much doing, but plenty of aeroplanes (ours) are flying above us all day long. Also the Germans sending rocket bombs over our heads keep us in mind that the war is still going on. The meals are getting better and I get three a day, too. It's a lot better than the two meal a day on the boat and sometimes only one on the train."

"I also got the rest of my pay for December, 490 francs, which is about \$11.20 in our money. Whatever country we're in we get paid in that kind of money. Maybe soon we'll get paid in German marks. The only trouble we haven't any place to spend any of our money."

"It sure is surprising how these Belgium children pick up the American language. They know how to ask for chewing gum and candy, and sure hang around when they know we got some. They are all healthy looking children so they must get plenty to eat. After we're all through eating chow they give what's left to the civilians."

"The kids all run around in wooden shoes and I wonder how they keep their feet warm, but I guess they do. I could buy a pair for the kids for only 35 francs or about 72 cents. Women's shoes cost 50 francs or about a dollar in American money."

"My fingers are getting pretty numb and this ink keeps freezing."

Holland

From Holland comes word of George Svetanoff of Arlington Heights.

"Wish to thank all those who made it possible for me to receive the traveling bank. It was great."

"Since I left home 7 months ago I have visited several countries and I'm getting to be a foreigner. I've hit England, France, Germany, Luxembourg and Belgium. I'd sure like to know when I'll end this affair."

His address is Pfc. George Svetanoff, 36359323, APO 95, % PM, New York, N. Y.

ing all the time. My whole bottle was frozen so I have to carry it in my pocket to keep it thawed out.

"The farmer just brought some apples and passed them around. I guess they like the American

soldiers more than the Germans because the Germans took so much away from the people and never paid them.

"This farmer had 40 cows, and the Germans took 30 of them. He also had a couple of cars which they took. We're sleeping where the cows used to sleep. Well, it's getting a little cool and time to crawl under my four blankets and get my beauty sleep. We just found the date when this building was built, in 1720, over two hundred years old. All the buildings are like one big one with an opening in the center where the farmer piles all the sweet smelling manure until spring."

Aaron trained as an anti-tank gunner after entering service on June 24, 1944, but is serving now as a machine gunner. He entered Belgium January 9, going into action Jan. 20. He is serving Lt. Gen. Simpson's 9th army as a member of the 84th division.

Aaron's wife, Phyllis, and 3 children, live in Chicago. He is a former driver of Westwood laundry.

His address is Pvt. Aaron Beauchamp, 36988717, APO 84, c-o P. M., New York, N. Y.

We Keep 'em Rollin' Along

It's our war job to keep cars and trucks moving on the highways. We're mighty proud of our record, too. Hundreds of vehicles are serviced and repaired here every month. Our shop and personnel are on the job every day. Yes, we keep 'em rollin' along.

MEN AND WOMEN NEEDED AT ONCE TO

HELP BUILD

These Big C-54 Military Transports

Start your Postwar Future today Get into Aviation by working at Douglas now.

Read this message carefully . . . because it means opportunity. It may mean a profitable lifetime career for you. But you must act at once if this opportunity is not to be wasted.

If you have read recent War Manpower Commission articles or our advertisements in the last few weeks, you know that additional men and women are urgently needed on a two-year schedule to help us build the giant C-54, companion transport plane to the B-29 Super-Fortress for the war against Japan . . . and then to build

the same plane after the war to fill orders already booked with us by the airlines. Maybe you've said to yourself, "I'll look into that someday."

Someday will be too late. You must join us now if you are to cash in on this opportunity. Don't let lack of experience hold you back.

We train you so that you're bound to make good in fabricating, assembly, and installation work. As interesting work as you'll ever find. Good pay. Act now.

60 farmers to take pre-induction physicals

Does not mean immediate service

Cook County Draft Board No. 1 has notified 60 men under 26 years of age, who are engaged in farm work to report for pre-induction physicals. They are still classified II C and the examination at this time does not mean that they are subject to immediate induction.

Orders for the examination of the farm group were received from state headquarters with no explanation being given as to its purpose.

Those with IIC classification should not become unduly alarmed that they will not be able to do the spring planting of crops. A group nearly as large will receive similar orders within the next ten days. Those to report for pre-induction physicals are:

Charles F. Schich, Barrington.
Raymond W. Guenther, Palatine.
William J. Gritmaker, Libertyville.
Walter E. Koplin, Des Plaines.
Laverne W. Rosenshein, Bartlett.
Ralph W. Engelking, Roselle.
Fred P. Schroeder, Mundelein.
Evelyn Koplin, Des Plaines.
Walter E. Guenther, Palatine.
Wesley N. Scharringhausen, Palatine.
Harvey J. Becker, Elgin.
Harold F. Knaak, Elgin.
Leonard J. Miller, Bartlett.
Edwin H. Tonne, Bensenville.
Elmer H. Cosman, Arlington Heights.
Herman H. Albrecht, Huntley.
Erwin W. Meier, Mt. Prospect.
Norbert A. Mueller, Mt. Prospect.
Bernard J. Winchel, Ontario, Wis.
Edward C. Mollenkamp, Bensenville.
David E. Dier, Crawfordville, Ind.
George F. Klein, Jr., Elgin.
Harold F. Olmann, Roselle.
Albert F. Fries, Barrington.
Christian Fritz, Jr., Chicago.
Benedict R. Weidner, Palatine.
Arnold E. Brockmann, Palatine.
Alfred Behn, Arlington Heights.
Wilfred W. Wille, Arlington Heights.
Lloyd L. Schramm, Elgin.
Erwin J. Wede, Roselle.
Arnold H. Wille, Des Plaines.
John C. Hogrove, Palatine.
Earl F. Sund, Palatine.
Ralph M. Hoffman, Dundee.
Lloyd T. Tuttle, Garden Prairie, Ill.
Raymond W. Fore, Palatine.
Elmer E. Piepenbrink, Mt. Prospect.
Elmer Nagel, Barrington.
Albert C. Horn, Bensenville.
Elmer G. Tonne, Bensenville.
Robert C. Bauer, Sturtevant, Wis.
Edward A. Krueger, Arlington Heights.
Alvin H. Thum, Des Plaines.
Melvin C. Rohling, Mundelein.
Melvin E. Batelle, Palatine.
Harold C. Koepfen, Mt. Prospect.
Walter F. Joost, Arlington Heights.
Gordon H. Beer, Des Plaines.
August Savros, Arlington Heights.
Raymond F. Ravagni, Palatine.
Marvin J. Bonkowski, Elgin.
Frank W. Cronke, Barrington.
Hugh A. C. Bowman, Northbrook.
Russell R. Mahler, Des Plaines.
Walter W. Von Bergen, Bensenville.
Norman B. Runge, Mt. Prospect.
Ralph L. Porep, Palatine.
Randy G. Kugel, Dundee.
Norman W. Sternberg, Mayville, Wis.
Five men inducted

Your schools

(This is the first in a series of articles by Superintendent R. E. Clough and Eleanor Milstead on schools and school legislation.)

Education is a mighty force. Hitler used it to build a race of killers. We can educate for good life and good will and democracy with equal vigor. This we MUST do if we are to build a free world and a safe world. To accomplish their great task our schools need active, continued support.

DID YOU KNOW:

That 1,724,000 children in this country are in school systems where less than \$600 per year per class room unit is spent? The \$500 includes the teacher's salary.

That true equality of opportunity in education does not exist in the United States because income is usually low where the most children live.

That the federal government makes practically no contribution to our local public schools' support.

That at present a bill is being sponsored in the 79th Congress (Senate Bill 181 and House of Representatives Bill 1296) for the purpose of bringing better educational opportunities to ALL AMERICAN CHILDREN.

That this bill provides \$100,000,000 to raise the low spots in education and \$200,000,000 for raising substandard salaries and for adjusting all teachers salaries to living costs.

That this \$300,000,000 is \$50,000,000 less than the annual take of confidence men in this country.

That section one of this bill goes farther in affording protection for state and local control of education against federal encroachment than any federal aid measure that has ever been proposed or enacted by the Congress of the United States.

That if you want to be kept informed about current school legislation you may send your name and address to Mr. Paul Vawter, PTA legislation chairman, 506 S. Chestnut ave., Arlington Heights.

Your U. S. Senators are Scott W. Lucas and C. Wayland Brooks who may be reached at the Senate office building in Washington. Your Congressman is William W. Link and your Congressman-at-large is Emily Taft Douglas to whom you may write at the House of Representatives in Washington.

WUS gets 1st letter from Iwo Jima

With Uncle Sam this week is presenting its first letter from Iwo Jima. The letter written by Arnold Budlong of Mt. Prospect, was received Friday morning, just 11 days after initial landings were made on the Jap-held island. It had been written Saturday night, and arrived in Arlington Heights in 5 days. Arnold is with the 4th division Marines.

Set high quotas for individuals in 7th War Loan

Total goal is 14 billion, half from individuals

With announcement of the dates and terms of the 7th War Loan comes the information that the quota placed for individuals is the highest established in any of the War Loan drives. They are expected to purchase seven billions of bonds, of which four billion should be Series E, which is also the highest quota established in any drive for that security.

"Secretary Morgenthau stated that there is every evidence that Federal expenditures are going to remain at a high level for some time to come, and that the Seventh War Loan program was designed to obtain from non-bank investors maximum funds necessary to prosecute the war.

"The same type of securities will be sold as in previous drives.

"The drive for individuals will extend from May 14 to June 30. However, an intensification of activities in the sale of Series E Bonds will begin April 9, when millions of persons on Payroll Savings plans throughout the country will be asked to enlarge their participation as a part of the Seventh War Loan. All Series E, F and G Savings Bonds and Series C Savings Notes processed through the Federal Reserve Banks between April 9 and July 7 will be credited to the drive.

"During the final phase of the drive which will cover the period from June 18 through June 30, subscriptions will be received from all other non-bank investors for the 2½% and 2½% marketable bonds and the Certificates of Indebtedness."

Dr. Walter Maier at stadium Sunday

Plans for the great service of Prayer and Repentance which is to be held at the Chicago Stadium at 3:30 o'clock on Sunday afternoon, March 11, are progressing well. Dr. W. W. Behren, the president of the Lutheran church, will be the chief spiritual leader in this service. Dr. W. A. Maier will deliver the address. Rev. A. H. Werfelmann and the Rev. B. H. Hemminger will assist in the service.

A beautiful and dignified Lutheran order of service has been carefully prepared for that day and will allow all Christians in Chicago to unite in confessing their sins to Almighty God and invoking His blessings for men and women in the armed forces, and for all the nations of the earth. An attendance of 25,000 is expected to hear Dr. Maier.

For reserved seats, guaranteeing you a seat, call Mr. Wm. Keiser, 333-J, Arlington Heights. There is no admission.

Elginite buys Heidorn Sweet Shop

Gus Heidorn, who has operated his sweet shop adjoining the post-office seventeen years, sold his business this week to R. H. Partidge of Elgin.

The new proprietor, who is connected with the Dairy Maid Products Co., 962 Dundee ave., Elgin, expects to make Arlington Heights his permanent home as soon as he can secure a place in which to reside. In the meantime he will spend as much time as possible here introducing Dairy Maid ice cream to the people of Arlington Heights.

Refuse use of septic tanks in Park Manor

Arlington Heights village board let it be known Monday night that bars have not been let down to subdivisions which have sewer facilities available. Mr. LaRue, who is interested in the development of Arlington Heights Park Manor appeared before the board with the request that permission be given for use of septic tanks. The board emphatically said "no". The main sewer runs through the northern part of this property and no lot is further than three blocks from the service. Park Manor is immediately east of Searsdale. Homes to be built there will sell for \$4,900 to \$6,500.

Annexation ordinance covering Lot 27 in Searsdale Estates, owned by Jos. D. Young was passed. The owner has paid the annexation fee of \$315 an acre.

Contracts were let to Frank Leth for decorating the interior of the council room and to Otto Stier for erecting a wall in the municipal garage to which the street department will move. The present quarters will be used by the firemen as a club room.

Sale of tax anticipation warrants to the Arlington Heights National Bank were authorized, said warrants to be delivered as the cash is needed.

The board approved the appointments of the following election officials: Pre. 1, village hall, Estelita Goewey, Fred Lorenzen, Martin W. Engelking, judges; Mrs. Vera Folkman, Mrs. Fannie May, Clerk; Pre. 2, Farm Bureau building, R. H. Jahn, Fred Hinz, Ernest Malzahn, judges; Mrs. Shirley Shanklin, Paul Taage, clerks.

Albert Nolting dies on Luzon

Albert Nolting, formerly of Arlington Heights, has been killed in action. It was learned this week. Albert is the brother of Mrs. Leonard Weidner, 818 N. Pine, Arlington Heights.

Pfc. Nolting was serving in a tank battalion in the Philippines when he was killed January 27. He

had gone overseas in March of last year, going to New Guinea. Albert was transferred to the Philippines at Leyte, and then to Luzon.

Albert worked at Creamery Package company while in Arlington Heights. His parents, Mr. and Mrs. Albert Nolting, Sr., live in LaGrange.

Two reported missing are prisoners of war

Capt. Otto Masny Sgt. Victor Perrino

Mr. and Mrs. Ben Berrino, 201 South Edward street, Mt. Prospect received a card last week from their son, Sgt. Victor Perrino, who is in a prisoner of war camp in Germany. The card is the first they have heard from their son since the receipt of notice from the government that he was reported missing on November 9th.

The first card received was written November 24 and contained simple Christmas Greetings to the family. A card received on Thursday was written January 6 in which he asked for cigarettes, oatmeal and chocolate. The card reads in part:

"When you write don't forget to give me all the news of home. When I get home I'll check up and discuss the food problem with you. Be sure and have ravioli ready. Send me all the cigarettes parcels you can among concentrated foods. I also want oatmeal and chocolate. Check up with the Red Cross about extra information."

Sgt. Perrino's address is: Sgt. Victor P. Perrino, Prisoner of War 078494, Camp M-Stammager-XIIA, Germany.

Model planes to fly Saturday

The 1945 model airplane flying season will soar into full swing this Saturday, March 10, when the Sky Wolves Model Club of Arlington Heights holds the first model contest of the year. The high school gymnasium will be the flying field for the affair and the action will include timed flights of three types of indoor model airplanes.

Miniature hand launched gliders must not have more than 18 square inches of wing area and must not weigh more than ½ ounce.

R.O.G. models must be rubber powered, with a wing area not to exceed 100 square inches and must rise Off Ground.

Microfilm models must be rubber powered. They can be hand launched or can R.O.G. There will be no wing area rule for this event. This type of model is one of the most fascinating items in model aeronautics built of tiny strips of balsa wood and covered with a transparent film.

Contestants will compete in two age groups or classes in the glider event and also in the R.O.G. event. Seniors, 11 years of age and over, will fly in one class and Juniors, under 11 years of age, will fly in another group. There is no age limit in the microfilm event and all contestants will compete in one group.

The gymnasium will be open at 1 p. m. for modelers who wish to test fly their models before the contest. Actual competition will get under way at 2 p. m. with all flights being completed at 4:30 p. m. Awards will be presented to the winners in various events at 4:45 p. m. While judges are tabulating the scores of the meet, several modelers will demonstrate a whip-control model and a helicopter.

CHIMNEY FIRE

Firemen were called to the home of Albert Beese, 29 South Dunton, at 8:20 Tuesday morning by a chimney fire that looked rather serious, but there was no damage.

Hughes warns farmers of soil depletion

A good sized crowd of farmers and their families of this area filled the community room of the Palatine township high school Monday evening for the meeting of the local unit of the farm bureau in cooperation with the Cook County farm bureau State Agricultural College and U. S. Department of Agriculture.

It was an interesting and instructive meeting with motion pictures to illustrate certain features of the program and lectures accompanied by slides to illustrate other features.

The moving picture of the production of pure milk shows how milk is produced in these modern times on modern farms such as those that supply the big cities with milk, showed that dairy farming now is a far cry from what it used to be under haphazard, unsanitary conditions.

On the dairy farms of the present the cow gets as much attention and more than is accorded a \$50,000 race horse. She has sanitary living quarters, sanitary feeding facilities, sanitary water supply and every attention that is imaginable.

The dairy cow gets curried, brushed and rubbed with all the attention that is accorded the highest class horses. She has her hair trimmed and is looked after as becomes the important personage which she has become in the supplying of the best life-giving food in the world—pure milk.

The care that is taken in keeping milks, cans, milking machines, and all the equipment of the dairy in clean and sanitary condition was shown in the films, showing how the food supply is kept pure by constant care and attention to detail.

The subject of Bangs disease and its control was one of the chief topics of the meeting and C. A. Hughes, Cook county farm adviser, told what was being done to control this disease.

It is expected that Cook county will soon have a comprehensive cattle control program in operation with a county veterinarian in charge of the work. That Bangs disease also attacks human beings was shown by some startling statistics.

One doctor tested a number of persons who had arthritis for Bangs disease. Fifty-one per cent of those tested showed indications of the disease. These were vaccinated against the Bangs disease and 90% of the cases were cleared up of their arthritis.

A great amount of study and work needs doing in this fight against Bangs disease and the farmers are just becoming conscious of the menace of this disease.

Conservation of the soil was another chief topic of the meeting and Mr. Hughes gave some startling figures on soil depletion in Illinois.

250,000 tons of nitrogen a year are removed from Illinois soils and other important soil ingredients, like phosphorus and potash are also being taken out of the soil faster than they are being replaced.

Illustrations were given on various sorts of crop rotation and soil treatment and the one that seemed to give the greatest returns was the corn, oats, clover rotation coupled with soil treatment. The speakers talked interestingly on the subject of building up the soil and building up and improving the pasture land.

All farmers present were urged to purchase all seed, fertilizer and other needed supplies early and get them on to their farms ready for the spring rush.

Shortage of everything, particularly transportation, was emphasized and the farmers were urged to get what they needed early and be ready to hit the ball when the season got right.

Henry L. Moehling, local chairman, thanked the crowd for the fine turnout, told them the farm bureau was making every effort to bring interesting and instructive information to the farmers and invited them over to the cafeteria where Mrs. Louis Rohde, co-chairman, and the ladies of the home bureau would continue the program.

The ladies part of the program consisted of fine farm baked doughnuts and good coffee which the crowd enjoyed to the utmost as they sat around in groups discussing the meeting, farm problems and having a pleasant social hour.

The rainy evening didn't dampen the farmers' enthusiasm. They all agreed the rain was just what was needed and they seemed delighted to get it even if they did have to get out in order to attend their meeting.

Writes home for Colts automatic

The father of a Palatine boy in service has received an urgent appeal for a Colts automatic 45. The dad can not find one in the market, but hopes there is a reader to this paper who has such a gun, which he is willing to sell. A phone call to Arlington Heights 1520 will place the inquirer in touch with the dad who wants to supply the request of his son.

Local taxpayers faced with increased tax bills

Schaumburg has lowest tax in Cook county

The township of Schaumburg has the distinction this year as a township without a single local tax. The amount of taxes that are to be collected this year are so small that the tax collector will hardly earn enough to pay him a decent salary.

None of the taxing bodies, including the school districts entirely within the township made a levy this year. Neither did the township or road and bridge.

Taxes to be paid are levied upon the property owners of the township by outside taxing bodies. They are County 34c, forest preserve 4c, non high school 53c and school district 43½c (Hanover) 43c. The total rate is 9½c for the township tax payers with the exception of three farms which are a part of school district 43½.

Two schools within the township are closed. The other two have small enrollments and in the words of Mr. Puffer, "do not need additional tax money." Another factor is that no subdivisions exist within the township.

Penalty date May 1

County Treasurer Victor L. Schlaeger announced that penalty dates for the paying of the 1944 taxes—real estate and personal property, will be May 1st this year instead of July 1st as last year. A penalty of 1 percent a month will be added to all unpaid first installment bills after May 1st.

Schlaeger says all bills, now in the making, will be in the hands of the taxpayers by March 30th, thirty days before penalty as compelled by law. He asks taxpayers to pay their bills as soon as they get them and thereby avoid crowding, delay and inconvenience in his office, due to lack of man power.

Vaccinations at Heights schools next week

The Board of Health, working in cooperation with the community nurse, is again offering to all children in the elementary and high schools, and to pre-school children between 1 and 5 years, the opportunity to receive small pox vaccination in our local schools.

Small pox is still with us and it is only through vaccination that you can be sure that your child is protected. All children should be vaccinated at about the age of one and then revaccinated at the time he enters school to be sure of immunity.

High school students are reminded that both industry and the armed services require a successful vaccination. A vaccination now may prevent a sore arm later on in the more active life in service.

The schedule for vaccinations is: Monday, March 12, North school, 9 a. m.

Tuesday, March 13, St. James school, 9 a. m.

Wednesday, March 14, St. Peter Lutheran, 10:30 a. m.

Thursday, March 15, South school, 9 a. m.

Thursday, March 15, Health Center, 1 p. m. Pre-school children.

Friday, March 16, High school, 9:15 a. m.

Pre-school children will be vaccinated by appointment only. Please call the nurse at the Health Center (Arl. Hts. 530) between 8:30 and 9:00 in the morning or if it would be more convenient for you to bring your child to the schools, call the principal of the school and make an appointment for your child.

RATION DATES

Sugar No. 35 valid, exp. June 2.

Fuel oil, 1 through 5 valid indefinitely.

Processed foods, blue 10-point X5 through Z5, A2 through S2 valid. X5-Z5 and A2-B2 exp. Mar. 31, C2-G2 exp. April 28, H2-M2 exp. June 2, N2-S2 exp. June 30.

Meat, Q5 through Z5 and A2 through J2 valid. Q5-S5 exp. March 31, T5-X5 exp. April 28, Y5-Z5 and A2-D2 exp. June 2, E2-J2 exp. June 30.

Gas, A book, 4 gals. each, No. 14 valid, exp. March 20.

Shoes, airplane stamps 1, 2 and 3 valid, used indefinitely.

Schaumburg AAA meeting

A sign-up meeting of Schaumburg township of the soil conservation program for 1945 will be held March 14 and 15 at Niemann's Hall, Schaumburg, from 9 a. m. to 4 p. m. Please come in at this time as June 1st is the deadline to sign up.

EDWIN BENHART, Chairman.

1944 TAX RATES

Arlington Heights\$2.80
Mount Prospect2.67
Palatine2.44

LEVIES OMITTED IN 1944

Palatine Rural Fire District
Wheeling Twp. Road and Bridge
Palatine Poor Relief
Elk Grove Poor Relief
Schaumburg township, road and bridge and all school districts.

REDUCTION IN LEVIES

Arlington Hts. Park Dist.01
School Dist. 16, Palatine01

INCREASES

Nearly all taxing bodies increased their levies this year. Chief among them is the increase of 10c by the county. Among the large increases by school districts is that of Prospect Heights, 26c. Palatine high school increased 16c, Arlington Heights 3c.

PALATINE RATES

	1943	1944
County	.24	.34
Forest Preserve	.04	.04
Town	.05	.05
Poor Relief	No Levy	N L
Road & Bridge	.05	.05
Village of Palatine	.63	.67
Palatine Rural—		
Fire District	.03	N L
Long Grove Rural Fire District	.16	.17
District 10	.52	.51
District 12	.41	.42
District 13	.57	.59
District 14	.57	.59
District 15	.53	.55
District 16	.65	.64
District 17	.44	.48
District 18	.35	.35
District 19	.13	.18
Palatine High School	.58	.74
Arlington Hts. H. S.	.61	.64
The combined rate for the Village of Palatine for 1944 is \$2.44 as compared with a \$2.12 rate for 1943.		

The county rate jumped 10, the village rate .04, the grade school .02 and the high school .16. The only school district showing a reduction is District 16 with a drop of .01.

Residents of Mt. Prospect will find that their tax bills have taken a jump of 18%. The increase is due to a jump of 24c in the village rate and 9c in the school district. The total rate for the municipality is \$2.67 compared to \$2.27 for 1943. It is not as bad as it might have been—the road and bridge levy is cut three cents.

Residents in school districts 60 and 61 face increases nearly as great as within the village of Mt. Prospect. The increases in their district school tax are 18c and 23c respectively.

Small pox is still with us and it is only through vaccination that you can be sure that your child is protected. All children should be vaccinated at about the age of one and then revaccinated at the time he enters school to be sure of immunity.

Will back village in enforcement of parking rules

The parking problem in Arlington Heights is a serious one and the Chamber of Commerce is ready to back the local officials in the enforcement of existing rules. The organization will also study the need of additional parking space. This is a "must" on the program of the Chamber of Commerce and the officers of the Chamber of Commerce feel there is nothing to be gained by delayed action.

In the opinion of Dr. Bauman, outsiders take greater care in parking than do local people. It is not unusual for a local car to use a double, even a triple space. The police have been asked to enforce the rules, thereby educating the people of Arlington Heights to conservative parking.

Every member of the twelve directors of the Arlington Heights Chamber of Commerce was present last Thursday evening, when President E. W. Bauman called them to order at 8:15 p. m. for their first session. Completion of the list of officers was the first business under consideration. Wm. F. Meyer, Jr. was chosen as vice president, Walter Krause as treasurer and Carl M. Behrens as acceptance secretary. Mr. Behrens' acceptance depended upon the willingness of his daughter to assist in the clerical work. She has given that assurance and the headquarters of the Chamber of Commerce will be at the real estate office of Flentje & Behrens.

The directors are all individually sold on the need for a strong organization and the membership committee, with Paul Taage as chairman, will solicit memberships among the business men.

Regular membership meetings will be held the first Thursday of each month. A representative membership is expected by April 5, the date of the first meeting. These meetings, states Dr. Bauman, are for the free discussion of matters of interest that concern the welfare of the community as a whole. The organization is ready to give its support to worth while projects and in return asks the support of the general public.

Surgical unit to resume work next week

The gauze for the Red Cross emergency quota has been received by the Arlington Heights Red Cross unit and all units will begin work Monday. Everyone is urged to attend and help if only for an hour or two, as the quotas are larger and the bandages needed more than ever before.

Taxing bodies follow example of Cook county

County Clerk Michael J. Flynn has announced the 1944 tax rates for the county towns and they are presented herewith, together with the 1943 rates. As predicted in these columns two weeks ago taxes are higher.

The collectors will begin receiving their tax books in about two weeks.

Tax payers in Arlington Heights will pay an increase of only seven percent. The omission of a road and bridge tax this year saves all tax payers in the township 8c on each \$100 valuation. The village of Arlington Heights increased seven cents, elementary school eight cents and high school three cents. The total rate last year was \$2.61. This year it is \$2.80.

This week in Wheeling

The Ladies Pinochle Club met with Mrs. Edward Wesolek last Wednesday evening. Prize winners were Mrs. Fred Moeller and Mrs. George Evert.

The bunco club met at Mrs. Hattie Cokenower last week end. Prizes were won by Lenora Saunders, Minnie Wolf and Lorraine Funk.

The recent membership drive of the PTA showed good results when 65 parents attended the regular meeting last week. A special feature on the program was the dramatic reading "A Mystic Cycle", which depicts the various stages of growth of a young person. Miss Lorraine Schmidt was the narrator and Earl Schultz portrayed a young serviceman about whom the reading centers. Others who took part in the dramatization were Mrs. Frank Minnich, William Laurence, Margaret Schmidt, Betty Schmidt, Janet Utpadel, Donna Jean Miller, Bob Schmidt and a group of 1st and 2nd graders. Mrs. Hightberger accompanied the reading on the piano.

Mr. and Mrs. Joseph Bellmore, Sr. returned home this week. Mrs. Bellmore had been assisting her daughter, Mrs. John Carter, in Indiana, who recently gave birth to a fourth son. While there Mrs. Bellmore suffered an attack of pneumonia from which she has recovered nicely. Mr. Bellmore stayed with Joe, Jr. in Chicago while his wife was away.

Wheeling Camp R. N. A. is making plans for the annual Penny Social and Card Party which is scheduled for April 6, and will be held in the Community Hall.

Margaret Wenzloff celebrated her 8th birthday Friday afternoon, March 2, when a group of schoolmates met at her home after school.

Miss Donna Jean Miller and her bowling partner, Irwin Koelper, took top honors when they bowled 1254 at the Highland Park Recreation Alley's doubles tournament held last week end. They bowled in the 10 o'clock squad on Saturday evening along with Mr. and Mrs. Arthur Laurence, Mrs. Oscar Laurence, Mr. and Mrs. Carl Hubert and Carl Moeller.

Mrs. Edward Giescke, Sr., celebrated her birthday Wednesday, Feb. 28, by entertaining a group of her fellow workers.

Mr. and Mrs. Hans Schmidt, Mrs. John Forke and Mr. and Mrs. James Didier attended the Ice-Capades at the Arena Saturday evening.

Twenty-five women are enrolled in a twelve weeks course in home nursing which is starting in the Wheeling school Friday evening of this week, according to Mrs. Herbert Gehrke, chairman. This is a valuable opportunity for all home makers and especially for young mothers. To get full benefit of the class it is important to attend every session. If you are interested be sure to go Friday evening at 7:30. Miss Esther Dahlstrom, R. N., will be the instructor and the Red Cross Home Nursing text book will be used.

Miss Bertha Keith entertained her card club at the Welfin home last week. Mrs. P. Sicks and Mrs. E. J. Welfin were guest players. Prizes were won by Mrs. Oscar Laurence, Mrs. Roy Lesch and Mrs. Sicks.

Dolores Scanlon celebrated her 13th birthday last Tuesday, February 20. Twelve of her schoolmates came after school and had a happy time playing bunco and singing songs accompanied on the piano by Holley Holtze.

BARTLETT

At the regular monthly meeting of the Bartlett Woman's Club, Mrs. L. S. Gabby of Elgin, gave a very inspiring talk on the "Art of Weaving". She also displayed many articles that she had woven and two of her small looms. Roll call was responded to by naming an American Craftsman. A donation of \$10 was voted to the Red Cross. Plans were discussed for the Rummage Sale to be held at the Masonic temple in Elgin April 9-10-11. Hostesses for the day were Mesdames George Rieckhoff, Geo. O'Donnell, Edward Weiher and Wilfred Jepson.

Mrs. Luella Lange, chairman of the Red Cross drive, has announced that the local quota is \$1,200. Her assistants are Mesdames Mina Schmidt, Anna Totenhagen, Inez Hoth, Kate O'Donnell, Ethel Williams, Betty Pinger, Minnie Krumfuss, Esther Buck, Dorothy Daner, Elizabeth Humbracht, Grace Porter, Helen Bergholt, Maurita Mueller, Jeanette Meyer, Helen Wendler, Henry Heinie, and they will canvass the township.

Mrs. R. E. O'Brien entertained the birthday club Monday afternoon. Prizes in games were merited by Mesdames H. Humbracht, E. C. Schultz, Edmund Krumfuss and Herman Bohnstengel.

Mr. and Mrs. H. F. Mayer attended a Memorial Service at the Wesley Methodist church in Aurora for Cpl. Tod J. Ochenschlaeger, who was killed in action January 23 in Belgium. He is Mrs. Mayer's cousin.

Arthur Alkire of Springfield spent the week end with Mr. and Mrs. Wayne Alkire.

Everett Giles has purchased the Mac Greerson home on North ave. The Greerson family will move to Geneva where they have purchased a home.

Mrs. Minnie Kaiser spent Sunday with her daughter, Mrs. Hattie Hoepfner.

Mrs. Wallace Darling, Jr., spent Sunday evening in Addison.

Mr. and Mrs. E. C. Schultz and daughter spent Sunday with relatives in Chicago.

The Royal Neighbors will take gifts of food to the Ex-Servicemen at the Elgin State hospital on Palm Sunday. Members are asked to take their gifts to Most Ortman's store that morning.

18-year-olds

Registrants for the month of February, as reported by selective service board 1 at Arlington Hts include the following 18-year-olds:

Christian Welfin, Wheeling. Anton Fender, Dundee. Glen Periman, Barrington. Arnold Linnemann, Ari. Heights. Clarence Vogt, Palatine. Erwin Albrecht, Arlington Heights. Harold Busse, Mt. Prospect. George Nawrot, Palatine. Edwin Brzostowski, Palatine. Francis Liesberger, Ari. Heights. James Hughes, Barrington. Donald Wendt, Barrington. Elroy Hattendorf, Palatine. William Mroelenkamp, Jr., Des Plaines. Edward Courrier, Barrington.

Salted Vegetables
Vegetables preserved in fairly large amounts of salt keep many months because the salt prevents the growth of bacteria that cause spoilage. Salted vegetables need to be freshened in water before they are used.

Purchasing Problem
Most persons buying household furniture find it difficult to make wise selections. They want to obtain the best possible values for their money, but lack the information to be able to differentiate between good and poor quality.

FRIDAY, MARCH 9, 1945

PAGE THREE

News of East Maine

Mrs. Arthur Redlik of Greenwood avenue, was called to Burlington, Iowa, on March 1, by the sudden death of her sister. Her mother is also ill so she plans to visit there a short time before returning home.

Staff Sgt. and Mrs. Fred Elsner are enjoying a visit with his folks, the Carl Elsners of Central road. Fred is on leave from Camp Bowie, Brownsville, Texas, and they arrived in town here on March 1.

There were two birthday parties at the Elmer Geils home on Knight road last week. On Wednesday, February 28, little Miss Joan was 8 years old and was hostess to ten of her young friends. Mrs. Geils' birthday was on March 1 and she entertained six ladies at cards that afternoon.

Sgt. John Hedberg arrived in East Maine on March 2 to spend a well deserved leave of a month or more with his mother, Mrs. Blanche Hedberg and his sister, Mrs. Donald Fick of Golf road. Sgt. Hedberg is in the USAAF and saw action on the European front. He was in a German prison camp but was recently repatriated and returned home on the Gripsholm. After his month's leave at home he will be sent to a hospital in Indiana where he will receive treatment.

The Elmer Dilger's, former residents of East Maine, who are now farming in Indiana, were dinner guests at the home of Mr. and Mrs. Martin Geweke on Sunday, March 4. They have been staying with relatives in Morton Grove for a few days and planned to return to Indiana Monday or Tuesday.

Mr. and Mrs. Erwin Kreft of Golf road are the proud parents of a baby girl born at the Palatine hospital March 3. The little lady is their first born and mother and daughter were reported doing well.

Pfc. Florence Stongberg, a member of the U. S. Women's Army Corps is spending a ten day furlough visiting with her sister, Mrs. William Grabow, and her father, Mrs. Henry Mvrmel at the Grabow home on Knight road. Pfc. Stongberg has been stationed at Strother Field, Winfield, Kans.

Mrs. C. J. Rubey of Ballard rd., was a much surprised lady recently when she received a brand new electric iron as a gift from the Illinois Meat Company, sponsors of the Eddie and Fannie Kavanaugh daily radio program. The iron was won as a prize on a letter sent to Mr. Kavanaugh by Mrs. Rubey's son, Col. Edward, who is stationed with the 13th General Hospital Corps of the U. S. Army, somewhere in New Guinea. Edward sent the letter on V-mail with a question that stumped Mr. Kavanaugh.

At the regular meeting of the East Maine PTA held at the school Monday evening, a fine entertainment program was put on by the local Boy Scout troop. Nominations are completed for the election of new officers, which will take place in the April meeting. At that meeting the men will be in charge of the evening's program.

Mrs. Harry Vogt just returned from a month's sojourn in sunny California, where she spent an enjoyable time visiting with relatives and friends. She is happily announcing to her friends that the Vogt family are contemplating the purchase of a home in Highland Park, a suburb of Los Angeles, where they plan to move in the not too distant future.

East Maine home bureau news

The March meeting of the East Maine Home Bureau unit will be held at the home of Mrs. William Wilke on Ballard road, on Thursday, March 15, starting with the usual pot-luck luncheon at 11 o'clock a. m. The major lesson for the afternoon will be on the "Care and Repair of Household Equipment" and will be given by Mrs. Johanson and Mrs. Konold. Mrs. J. Lombard will give the minor lesson on "Lamp Shades."

Twelve members of the local unit of the Home Bureau attended the big annual meeting of the Home Bureau held in the Mural room of the Morrison hotel in Chicago, last week.

The program consisted of a business session with speaker, luncheon and fashion show. Special mention was given to members who had records of perfect attendance at unit meetings. Honored from the East Maine group were Mrs. William Wilke with a perfect attendance for three years, Mrs. Melville Guthrie and Mrs. Arthur Schroeder with a perfect record for two years and Mrs. William Grabow with a perfect record for one year.

Another award was given for the group having the highest percentage gain in new members for the year. Two groups, the Home-wood unit and the East Maine unit were tied for this award with 67 per cent. Since there was but one award, a gavel, it was given to Mrs. Robert Suydam, chairman of the East Maine group to hold for six months, who will turn it over to the Homewood chairman for the remaining six months of the year.

Forest River

Janet Sandquist celebrated her 4th birthday Saturday, March 3.

It is with deepest regret that your reporter has to report that the shelters that were built and paid for with the joint efforts of the Forest River Community Club and the Volunteer Firemen, are being maliciously damaged. If each and every parent would stress the seriousness to their children that it is not to their credit nor is it being funny to just purposely go out and destroy public property this would not happen. Let alone the material used, the money involved and then the time and labor that was donated and then have all their efforts so needlessly wasted just because a few parents neglect their duties by not explaining to their youngsters the difference between right and wrong. The two organizations have not been idle in this, our community, so it is the duty of every resident, be they members of either organization or not, to do their share, if in no other way, but to see that what has been achieved be not destroyed by a few who just can't be interested in civic affairs.

The Ladies Auxiliary meets Tuesday, March 13, at 1:00 p. m.

Margie Suhren celebrated her 6th birthday Thursday, March 8.

The Red Cross volunteer workers for Forest River and surrounding territory are Mrs. J. Remsing and Mrs. Kramer. They are trying to reach each home and would like a little cooperation. If you hear they were in your territory and missed you, please get your donation to them as they have a quota to meet and it is a little hard for them to go back a second time.

So far the lunches at the school have been a grand success. The

children have enjoyed them and the ladies of the PTA have enjoyed serving. Any donation as to canned goods, in the line of vegetables or fruits, would be appreciated and can be left at Mrs. Paul Kleeman's home on Foundry Road.

Bake Pears
Bake some of those pears. They should be brown and sweet and served chilled with sweet cream and a sprinkling of nutmeg.

Marriage in Georgia

Betty Dombrosky, daughter of Mr. and Mrs. Gus Dombrosky of South Plum Grove road, Palatine, was united in marriage to Staff Sergeant Loyal Hendley at Columbus, Georgia, Saturday, Feb. 24, at 12 noon.

Mr. and Mrs. Hendley are making their home in Columbus for the present.

111 E. EASTMAN TEL. 163 ARL. HEIGHTS

Ask G.I. Joe's family what your Red Cross is doing for them...

and you'll be proud of the answers you get!

THE Red Cross is doing a tremendously important job in relieving the pressure of war on civilians. This pressure is especially heavy on servicemen's families. Their fears and worries and griefs deserve and get special attention from the Red Cross.

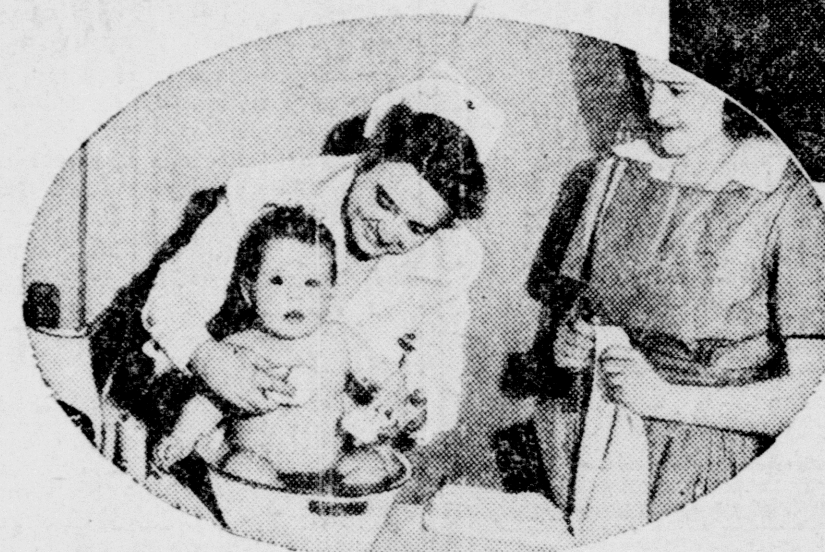

But in this war, all are affected. And the Red Cross reaches out to aid all—in many and varied ways. The scenes below show the Red Cross in action on the Home Front!

↑ WHEN LETTERS STOP, G.I. Joe's family turns to the Red Cross. Through its worldwide organization—the Red Cross finds out what's up!

↑ WHEN JOE RETURNS—WOUNDED! Red Cross Recreation and Hospital Workers brighten long, dreary hospital hours—relieve the worries that spring up in sick men's minds.

↑ JOE JUNIORS THE COUNTRY OVER will be a healthier, happier generation because of Home Nursing courses given by the Red Cross.

↑ GIRL WITH A HUNDRED JOBS! Red Cross Motor Corps girls drive ambulances, military vehicles, blood donor trucks; are trained to meet all emergencies.

GIVE NOW! GIVE MORE!

Will the Red Cross continue to serve on the Home Front? The answer lies with you—with America! For the Red Cross is your Red Cross. It is supported entirely by your voluntary contributions. You are asked to contribute just once a year. The time for giving to the Red Cross in 1945 is now!

Give now and give more! For in 1945 more and more veterans will be brought home. They and their families will have more and more need for Red Cross! Give—that the Red Cross may continue to give to them!

↑ THE NURSE SHORTAGE is being relieved in civilian hospitals everywhere by Red Cross recruited-and-trained Nurse's Aides. The Red Cross also trains Dietitian's Aides.

↑ DOMESTIC DISASTERS INCREASE IN WARTIME! During the past fiscal year, there were 257 disasters in the United States—more than ever recorded for any single year. And the Red Cross was on the scene for all of them! Victims were fed, clothed and sheltered by the Red Cross! The Red Cross also aided their rehabilitation.

KEEP YOUR RED CROSS AT THEIR SIDE, TOO!

☑ BARNIE RUNGE

Highway Commissioner

Barnie Runge has resided in Township of Wheeling for the past 38 years. He received his education in Wheeling Township, after which he completed a two year business course at the Metropolitan Business College and a two year course at Greer College, both of Chicago.

Before becoming active, or acquainted, with the building and maintenance of road and bridge work in Township of Wheeling Barnie was afforded the opportunity of working for several well known Road Construction Companies, thus giving him a desire to become a road and bridge builder.

During the past 16 years Barnie was employed by the Wheeling Township Road and Bridge Maintenance Department. He operated economically and efficiently (to the best of his knowledge) all TOWNSHIP ROAD MAINTENANCE TOOLS.

Would therefore kindly ask you to study your ballot carefully and hope you will, in all sincerity and kindness, consider me as the capable candidate to fill the position of HIGHWAY COMMISSIONER on election day, April 3, 1945.

Remember, though, I'm running independent — on TAXPAYERS' TICKET.

Can apply now for crop loans

Mr. Ralph P. Connell, field supervisor for the Emergency Crop and Feed Loan Office, stated that farmers of Cook County may now apply for loans to finance the production of their 1945 crops. Applications for loans are being written by Miss Helen Heintz at Farm Bureau in Blue Island. Mr. Connell called special attention to the emphasis being placed on the production of those crops declared essential to the war effort and so vitally needed this year. He stated that loans were being made to finance the production of those crops, as well as regular crops, such as corn and soybeans. The production goals of vital war crops which can be successfully planted and grown in Cook County must be met, and the need of funds required for their production will be given special consideration. Where necessary, credit will be extended so that every farm family will have the opportunity to make its maximum contribution to the Food Production Program.

Emergency Crop and Feed Loans are available to farmers, either land owners or tenants, who own or have the use of necessary workstock and equipment which to farm their land, and who can give a first lien security on the crops to be financed. Loans are also made for the purchase, or production, of feed for livestock or poultry to be raised for marketing purposes, or for maintaining breeding stock or poultry, the increase of which is to be marketed. A first lien security is required on such livestock or poultry and its increase. These loans will be made to farmers whose resources are not ample to enable them to obtain credit on a reasonable basis from other sources. Mr. Connell stated that the interest rate on these loans is 4 per cent and stressed the fact that the loans are not restricted to selected applicants, but are available to all farmers who can establish eligibility, according to the terms of the loan regulations and authorizing act.

Plant leaves tell when to remove mulch

The leaves of the strawberry plant and not the calendar will tell when to uncover and rake the mulch away from the plants, points out A. S. Colby, professor of pomology, University of Illinois College of Agriculture. When the time comes to remove the mulch, the strawberry plant leaves will begin to turn yellow under the mulch. If left longer, some of the plants will be killed. Lift the straw a little so that the leaves can grow up through the mulch, but leave most of the mulch on the ground to keep the ground cool and hold some of that soil moisture for the berries.

Canned poultry

The War Food Administration announces that effective last week (February 14) an order has been issued to set aside 100 percent of the canned poultry (chickens and turkeys) in move to supply United States military demands for approximately 70,000,000 pounds of these products in 1945. The poultry meat is needed for hospitals, army field rations and for shipment overseas. Preparation of the total quantity will require the processing of between 200 and 250 million pounds of New York style dressed chicken and turkey and practically the full use of all available poultry processing and canning facilities in the United States.

Lend-lease

Although no late figures have been published on total lend-lease shipments, it is considered likely that these shipments have declined in recent months. This of course would also tend to lower production. Lend-lease figures on food and other agricultural products are available, and these show that deliveries to the Allies dropped from 11,488,000,000 pounds in 1943 to 7,272,000,000 pounds in 1944.

Fats

Homemakers of Town and Farm again are asked by the War Food Administration to come to the rescue of a wartime program. WFA states that it is looking largely to the people in agricultural areas to increase the quantity of salvaged fats this year to the 250,000,000 pounds needed to meet United States military, industrial and civilian requirements. Last year housewives turned in 170,000,000 pounds.

SEED CORN

Due to the shortage of some varieties of seed corn I advise my customers to call as soon as possible for their DeKalb Quality Hybrid Seed Corn. Even if you previously placed your order with me, do not delay in getting your supply at once. I have endeavored to protect my regular customers but the demand on some varieties exceeds the supply and those who delay may be disappointed. Due to my assessing work I ask customers to call at my home in the mornings.

Many dairymen sign now for Bang's test

"Arrangements for the employment of a veterinarian in Cook county to begin Bang's Disease testing is practically complete," states Farm Adviser, C. A. Hughes. "In order to expedite this testing work farmers are requested to secure an agreement at either Farm Bureau office and sign it so that the veterinarian will have herds to begin testing work on. His work will be to test cows and nothing more. "Agreements merely indicate that a farmer will submit to the test and abide by the rules and regulations of the Livestock Disease Control Program. We are of the opinion that these regulations do not impose much hardship on any farmer. It is quite apparent that the crux of Livestock Disease Control hinges upon the vaccination of calves 4 to 8 months of age and to the discovery of cows infected with abortion or Bang's. "There are three plans for handling a herd after they have been

tested. "Plan 1 involves the selling of reactors or slaughter without compensation for the initial test. After the herd becomes clear reactors cows are subject to compensation. In calfhood vaccination is practiced and it would appear that this plan leaves a herd immune to disease infection. "Plan 2 also requires a sale of reactor cows but calves are vaccinated 4 to 8 months of age. "Plan 3 however permits the dairymen to retain reactors in his herd, without being isolated, and calves vaccinated as in Plan 2. "There are various methods of herd management, especially for reactor cows which as a layman we do not wish to discuss but which we think dairymen will understand after a veterinarian is on the job. The cost of testing is free to farmers in cooperating counties. No charge whatever will be made. In all of the above plans, additions to herds must be isolated and tested and we recom-

High per cent potash in mixed fertilizers

Illinois corn growers had good news this week regarding fertilizers. A. L. Lang, associate chief, soil experiment fields, University of Illinois College of Agriculture, reported that more potash would be carried in mixed fertilizers this year than has been used during the past several years. Mixed fertilizers will carry less nitrogen and less phosphate but a higher percentage of potash. "More potash in these fertilizers will be a distinct advantage to Illinois corn growers because they can come much nearer following the recommendations of the agricultural experiment station than has been possible in the past," Lang pointed out. "Potash supplies are greater than at any other time in our history." Wartime production goals to increase feed, food and fiber have sapped our soils of vital fertility elements, Lang indicated, declaring that this stepped-up exploitation is leading rapidly to erosion, gullying and abandonment of land. Crops have removed annually

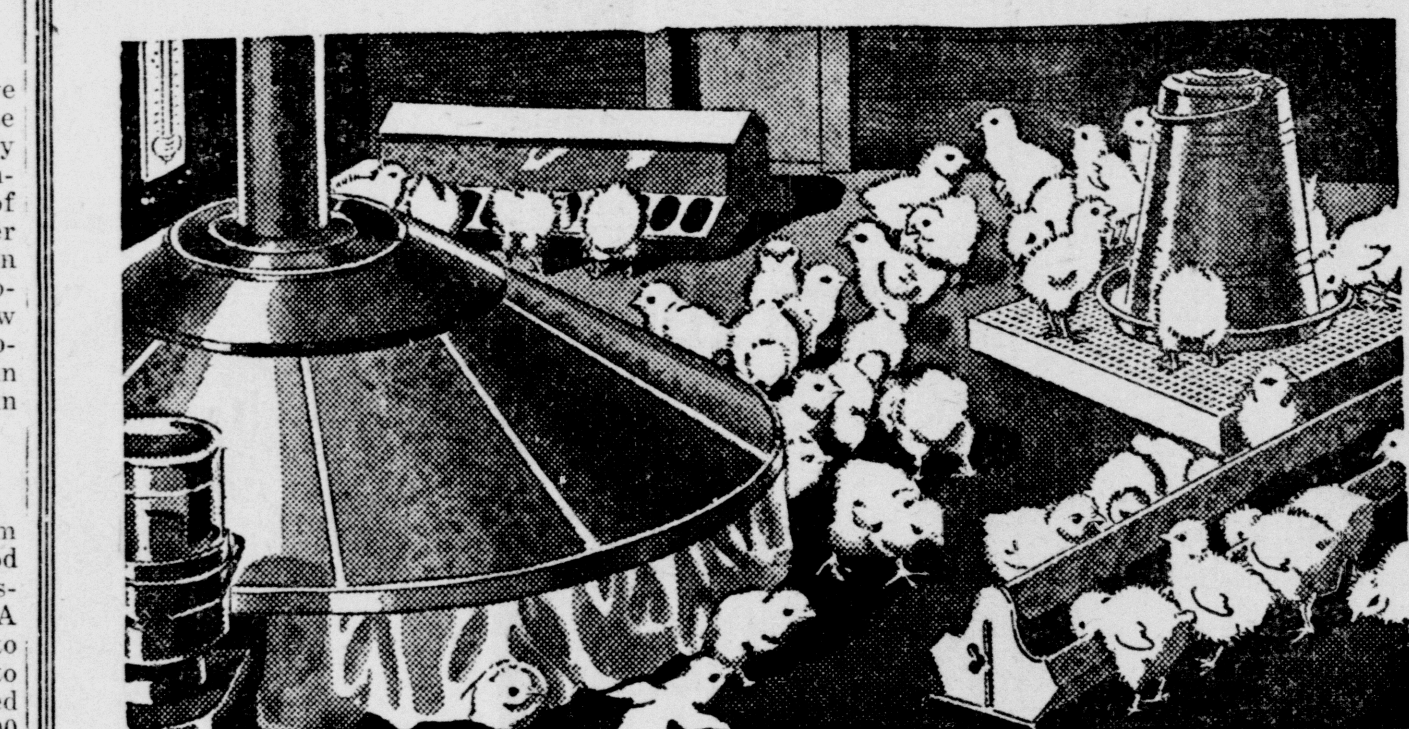

for the past three years approximately 416,000 tons of nitrogen, 168,000 tons of phosphoric acid and 160,000 tons of potash from the 20,000,000 acres of harvested crop land in Illinois. Only a very small portion of those plant nutrients were returned by fertilization. Fortunately for the land, a large part of the crops were fed to livestock and a goodly portion of the fertilizing elements returned in animal manures. Future production will depend more and more on fertilization, Lang emphasized. However, fertilization is only one factor in an over all complex soil management program necessary to maintain lands in a high state of productivity. Fertilizers are most effective when used in connection with other good practices. Lang stressed such practices as maintaining good drainage, in-voicing the soil's acidity and nutrient requirements, correcting soil acidity, supplying phosphorus and potassium fertilizers to replace losses, establishing cropping systems and maintaining a desirable physical condition in the soil.

PLANT WITH FUNK'S G HYBRID Confidence

Under good conditions or bad, your Funk's "G" Hybrid will produce more and better corn for you. Under good conditions Funk's "G" makes the most of the favorable factors to produce record yields.

If you have an unfavorable season, weatherproofed "G" Hybrids are real protection for you. "Bred to Beat the Elements," these famous strains actually make some of their best records when the "breaks" are against them. So plant with confidence, Funk's "G" Hybrids.

60 farmers to take pre-induction physicals

Does not mean immediate service

Cook County Draft Board No. 1 has notified 60 men under 26 years of age, who are engaged in farm work to report for pre-induction physicals. They are still classified II C and the examination at this time does not mean that they are subject to immediate induction.

Orders for the examination of the farm group were received from state headquarters with no explanation being given as to its purpose.

Those with IIC classification should not become unduly alarmed that they will not be able to do the spring planting of crops. A group nearly as large will receive similar orders within the next ten days. Those to report for pre-induction physicals are:

Charles F. Smith, Barrington.
Raymond W. Guehrer, Palatine.
William J. Grittmacher, Libertyville.
Willard Kolpin, Des Plaines.
Laverne W. Roesslein, Bartlett.
Ralph W. Engelsing, Roselle.
Fred P. Schroeder, Mundelein.
Ervin Kolpin, Des Plaines.
Walter E. Guehrer, Palatine.
Wesley N. Scharringhausen, Palatine.
Harvey J. Becker, Elgin.
Harold P. Knaak, Elgin.
Leonard J. Miller, Bartlett.
Edwin H. Tonne, Bensenville.
Elmer H. Cosman, Arlington Heights.
Herman H. Albrecht, Huntley.
Erwin W. Meier, Mt. Prospect.
Norbert A. Mueller, Mt. Prospect.
Bernard J. Winchel, Ontario, Wis.
Edward C. Mollenkamp, Bensenville.
David E. Dice, Crawfordville, Ind.
George P. Klein, Jr., Elgin.
Harold P. Ollmann, Roselle.
Robert Freise, Palatine.
Christian Fritz, Jr., Chicago.
Benedict R. Weidner, Palatine.

Five men inducted

Five men were inducted last Saturday from the Arlington Heights area. They are John Daniel Dempsey, Charles Joseph O'Leary, Robert James Cheney, St. Mary's Tr. School, Des Plaines; Raymond Roland Hanson, Wheeling; Leo Arnold Betts, Palatine.

100 attend Cook Co. Home Bureau meeting

The Fourth Annual meeting of the Cook County Home Bureau was held Wednesday, Feb. 28, in the Mural Room of the Morrison Hotel, Chicago. Three hundred of Home Bureau's six hundred membership, came together to share the completion of a very successful year.

The meeting was called to order by the president, Mrs. C. W. Cutler. The morning session was devoted to routine business, including recognition of members with perfect attendance for one, two, three, or four years.

Election of officers resulted in the following Executive Board for 1945-1946: President, Mrs. C. W. Cutler; vice president, Mrs. L. J. Eib; secretary, Mrs. James Foggo; treasurer, Mrs. A. W. Borkenhausen; membership chairman, Mrs. W. E. Fritz; 4-H club chairman, Mrs. George Dean Johnson; project chairman, Mrs. C. J. Hill, Mrs. A. Zuidema; recreation chairman, Mrs. Robert Sydnam; publicity, Mrs. G. Rex Volz. Mrs. A. Rohlfing, first two years president of the Illinois Home Bureau Federation, installed the officers.

Greetings were brought to the meeting from Mr. Charles Glover and Mr. C. A. Hughes, of the Farm Bureau. During the luncheon intermission time was had to view the interesting and varied exhibits of hand crafts, both decorative and practical, displayed by members from all over the county. Included were examples of fine needlework, sewing, embroidery, knitting, crocheting, hooked rugs, pictures, etc.

The afternoon session provided a well planned fashion show by the Simplicity Pattern Company under the direction of Miss Paula Parker showing on teen-age models, appropriate styles with the new fabrics, with many ideas for remodeling, and the use of a basic costume with changeable accessories.

The Future Homes 4-H Club presented "Fashions are Funny," and the audience responded with gales of laughter, for the girls modeled costumes of the last 50 years up to our present day living jeans-and-plaid-shirt clad high school daughter.

Mrs. Cutler introduced the

Woman's club to hear Lincoln Park authority

The Garden department of the Mt. Prospect Woman's club will hold a meeting Tuesday evening, March 20, in the South church at eight o'clock.

Dr. Arthur Jackson, horticulturist of the Lincoln Park conservatory in Chicago, will be the guest speaker. His subject will be "The Garden from Early Spring to Late Fall," which should prove to be of special interest at this time of the year. He will speak particularly on roses and chrysanthemums.

At the end of his discourse there will be a question and answer period.

All the members, their husbands and friends are cordially invited to attend.

Red Cross opens drive in Prospect Heights

The Red Cross war fund drive opened last week in Prospect Heights with a quota of \$800, according to Al Liebhart, chairman of the drive.

If this quota is to be met, more volunteer canvassers are needed. "At the present time," states Mr. Liebhart, "it is impossible for the limited number of workers available to canvass the entire community and eventually meet our quota. We must have more workers. If you are interested in helping our community in this drive, please get in touch with me at the earliest possible moment."

One of the many services performed by the Red Cross is sending messages through from war torn countries. Although the messages are limited to 25 words, those few words can bring unlimited happiness to the person who receives them.

One resident of the community who knows how precious those few words are is Linar Larsen, Ridge ave., who received just such a message about a year ago. It came from Copenhagen, Denmark, and told him that his mother, whom he had been so anxious about, was well and that everything was fine.

This is only one of the many services that your Red Cross is doing. Help your community reach its quota, so that the Red Cross can carry on its fine work at home and overseas.

Chicago police official to talk to Men's Club

Captain Walter G. Storms, chief of the detective bureau of the Chicago Police Department, will address the Mt. Prospect Men's club Friday, March 16, in the South church fellowship room, at 8 o'clock. His subject will be "Prevention of Crime on the Home Front."

Since few men have a better understanding of the criminal mind than Captain Storms, this meeting promises to be one of the most interesting programs of the year. No speaker could be more thoroughly grounded in his subject or possess a more colorful career from which to draw his material.

To those living in and around Chicago during the heyday of the prohibition era, and who may remember Captain (then Lieutenant) Storms' handling of the gangster element, this meeting should savor of "Old Home Week."

In addition to his narration on crime detection and prevention, Captain Storms who earned the title of nemesis of gangsters, will punctuate his remarks with specific examples of criminal apprehension of record in the Chicago Police Department.

The meeting will be held for the first time this year in the South Church and will start promptly at 8 o'clock. Every male citizen of Mt. Prospect is cordially invited. The regular refreshment period will follow immediately after the Captain's talk.

Two reported missing are prisoners of war

Capt. Otto Masny Sgt. Victor Perrino

Capt. Otto Masny of Arlington Heights has been reported a prisoner of war, it was learned last week. Otto had been reported missing in action December 7. He is the son of Mr. and Mrs. Mattheus Masny.

Capt. Masny was a member of a Ranger unit that landed in France D-Day. He was later awarded the DSC for this action where he was wounded. Otto was taken to an English hospital, but was soon back again with his men.

Capt. Masny then led his men through Belgium, Luxembourg and into Germany. He was awarded the Purple Heart for his wounds, prior to being captured by the Nazis.

Warren Henken missing in Luxemburg

Cpl. Warren Henken of Arlington Heights has been declared missing in action it was learned this week. Warren, the son of Mr. and Mrs. Louis Henken, was fighting in Luxemburg February 16 when he was declared missing.

Cpl. Henken was stationed with a Reconnaissance unit, operating in short thrusts behind German lines. The unit's job was to gain information regarding enemy troop and supply movements.

These units operate in small groups and many times become separated from their headquarters. Warren was stationed with Gen. Patton's army. Because of his type of work, there is a very good chance that Warren will later be declared a prisoner of war.

Cpl. Henken entered service Jan. 28, 1943, going to Fort Jackson, South Carolina. Seven weeks later he was awarded Corporal's bars. He was also given a medal for marksmanship at Jackson.

Maneuvers in Tennessee were next in line, and in April of 1944, he shipped to England. The unit landed in France a week after D-Day and participated in the fast push across French territory, chasing the Nazis before them.

WUS gets 1st letter from Iwo Jima

With Uncle Sam this week is presenting its first letter from Iwo Jima. The letter written by Arnold Budlong of Mt. Prospect, was received Friday morning, just 11 days after initial landings were made on the Jap-held island. It had been written Saturday night, and arrived in Arlington Heights in 5 days. Arnold is with the 4th division Marines.

Albert Nolting dies on Luzon

Albert Nolting, formerly of Arlington Heights, has been killed in action it was learned this week. Albert is the brother of Mrs. Leonard Weidner, 818 N. Pine, Arlington Heights.

Pfc. Nolting was serving in a tank battalion in the Philippines when he was killed January 27. He

had gone overseas in March of last year, going to New Guinea. Albert was transferred to the Philippines at Leyte, and then to Luzon.

Albert worked at Creamery Package company while in Arlington Heights. His parents, Mr. and Mrs. Albert Nolting, Sr., live in LaGrange.

Model planes to fly Saturday

The 1945 model airplane flying season will soar into full swing this Saturday, March 10, when the Sky Wolves Model Club of Arlington Heights holds the first model contest of the year. The high school gymnasium will be the flying field for the affair and the aerobatics built of tiny strips of balsa wood and covered with a transparent film.

Contestants will compete in two age groups or classes in the glider event and also in the R.O.G. event. Seniors, 11 years of age and over, will fly in one class and Juniors, under 11 years of age, will fly in another group. There is no age limit in the microfilm event and all contestants will compete in one group.

The gymnasium will be open at 1 p. m. for modelers who wish to test fly their models before the contest. Actual competition will get under way at 2 p. m. with all flights being completed at 4:30 p. m. Awards will be presented to the winners in various events at 4:45 p. m. While judges are tabulating the scores of the meet, several modelers will demonstrate a whip-control model and a helicopter.

Hughes warns farmers of soil depletion

A good sized crowd of farmers and their families of this area filled the community room of the Palatine township high school Monday evening for the meeting of the local unit of the farm bureau in cooperation with the Cook County farm bureau State Agricultural College and U. S. Department of Agriculture.

It was an interesting and instructive meeting with motion pictures to illustrate certain features of the program and lectures accompanied by slides to illustrate other features.

The moving picture of the production of pure milk shows how milk is produced in these modern times on modern farms such as those that supply the big cities with milk, showed that dairy farming now is a far cry from what it used to be under haphazard, unsanitary conditions.

On the dairy farms of the present the cow gets as much attention and more than is accorded a \$50,000 race horse. She has sanitary living quarters, sanitary feeding facilities, sanitary water supply and every attention that is imaginable.

The dairy cow gets carried, brushed and rubbed with all the attention that is accorded the highest class horses. She has her hair trimmed and is looked after as becomes the important personage which she has become in the supplying of the best life-giving food in the world—pure milk.

The care that is taken in keeping pails, cans, milking machines, and all the equipment of the dairy in clean and sanitary condition was shown in the films, showing how the food supply is kept pure by constant care and attention to detail.

The subject of Bangs disease and its control was one of the chief topics of the meeting and C. A. Hughes, Cook county farm adviser, told what was being done to control this disease.

It is expected that Cook county will soon have a comprehensive cattle control program in operation with a county veterinarian in charge of the work. That Bangs disease also attacks human beings was shown by some startling statistics.

One doctor tested a number of persons who had arthritis for Bangs disease. Fifty-one per cent of those tested showed indication of the disease. These were vaccinated against the Bangs disease and 90% of the cases were cleared up of their arthritis.

A great amount of study and work needs doing in this fight against Bangs disease and the farmers are just becoming conscious of the menace of this disease.

Conservation of the soil was another chief topic of the meeting and Mr. Hughes gave some startling figures on soil depletion in Illinois.

250,000 tons of nitrogen a year are removed from Illinois soils and other important soil ingredients, like phosphorus and potash are also being taken out of the soil far faster than they are being replaced.

Illustrations were given on various sorts of crop rotation and soil treatment and the one that seemed to give the greatest returns was the corn, oats, clover rotation coupled with soil treatment. The speakers talked interestingly on the subject of building up the soil and building up and improving the pasture land.

All farmers present were urged to purchase all seed, fertilizer and other needed supplies early and get them on to their farms ready for the spring rush.

Shortage of everything, particularly transportation, was emphasized and the farmers were urged to get what they needed early and be ready to hit the ball when the season got right.

The rainy evening didn't dampen the farmers' enthusiasm. They all agreed the rain was just what was needed and they seemed delighted to get it even if they did have to get out in order to attend their meeting.

Schaumburg has lowest tax in Cook county

The township of Schaumburg has the distinction this year as a township without a single local tax. The amount of taxes that are to be collected this year are so small that the tax collector will hardly earn enough to pay him a decent salary.

None of the taxing bodies, including the school districts entirely within the township made a levy this year. Neither did the township or road and bridge.

Taxes to be paid are levied upon the property owners of the township by outside taxing bodies. They are County 34c, forest preserve 4c, non high school 53c and school district 43½c (Hanover) 43c. The total rate is 91c for the township tax payers with the exception of three farms which are a part of school district 43½.

Two schools within the township are closed. The other two have small enrollments and in the words of Mr. Puffer, "do not need additional tax money." Another factor is that no subdivisions exist within the township.

Penalty date May 1

County Treasurer Victor L. Schlaeger announced that penalty date for the paying of the 1944 taxes—real estate and personal property, will be May 1st this year instead of July 1st as last year. A penalty of 1 percent a month will be added to all unpaid first installment bills after May 1st.

Schlaeger says all bills, now in the making, will be in the hands of the taxpayers by March 30th, thirty days before penalty as compelled by law. He asks taxpayers to pay their bills as soon as they get them and thereby avoid crowding, delay and inconvenience in his office, due to lack of man power.

It is expected that Cook county will soon have a comprehensive cattle control program in operation with a county veterinarian in charge of the work. That Bangs disease also attacks human beings was shown by some startling statistics.

One doctor tested a number of persons who had arthritis for Bangs disease. Fifty-one per cent of those tested showed indication of the disease. These were vaccinated against the Bangs disease and 90% of the cases were cleared up of their arthritis.

A great amount of study and work needs doing in this fight against Bangs disease and the farmers are just becoming conscious of the menace of this disease.

Vaccinations at Heights schools next week

The Board of Health, working in cooperation with the community nurse, is again offering to all children in the elementary and high schools, and to pre-school children between 1 and 5 years, the opportunity to receive small pox vaccination in our local schools.

Small pox is still with us and it is only through vaccination that you can be sure that your child is protected. All children should be vaccinated at about the age of one and then revaccinated at the time he enters school to be sure of immunity.

High school students are reminded that both industry and the armed services require a successful vaccination. A vaccination now may prevent a sore arm later on in the more active life in service.

The schedule for vaccinations is: Monday, March 12, North school, 9 a. m.
Tuesday, March 13, St. James school, 9 a. m.
Wednesday, March 14, St. Peter Lutheran, 10:30 a. m.
Thursday, March 15, South school, 9 a. m.
Thursday, March 15, Health Center, 1 p. m. Pre-school children.
Friday, March 16, High school, 9:15 a. m.

Pre-school children will be vaccinated by appointment only. Please call the nurse at the Health Center (Arl. Hts. 530) between 8:30 and 9:00 in the morning or if it would be more convenient for you to bring your child to the schools, call the principal of the school and make an appointment for your child.

RATION DATES

Sugar No. 35 valid, exp. June 2. Fuel oil, 1 through 5 valid indefinitely.

Processed foods, blue 10-point X5 through Z5, A2 through S2 valid. X5-Z5 and A2-B2 exp. Mar. 31. C2-G2 exp. April 28. H2-M2 exp. June 2. N2-S2 exp. June 30.

Gas, A book, 4 gals. each, No. 14 valid, exp. March 20.
Shoes, airplane stamps 1, 2 and 3 valid, used indefinitely.

Schaumburg AAA meeting

A sign-up meeting of Schaumburg township of the soil conservation program for 1945 will be held March 14 and 15 at Niemann's Hall, Schaumburg, from 9 a. m. to 4 p. m. Please come in at this time as June 1st is the deadline to sign up.

Local taxpayers faced with increased tax bills

Schaumburg has lowest tax in Cook county

The township of Schaumburg has the distinction this year as a township without a single local tax. The amount of taxes that are to be collected this year are so small that the tax collector will hardly earn enough to pay him a decent salary.

None of the taxing bodies, including the school districts entirely within the township made a levy this year. Neither did the township or road and bridge.

Taxes to be paid are levied upon the property owners of the township by outside taxing bodies. They are County 34c, forest preserve 4c, non high school 53c and school district 43½c (Hanover) 43c. The total rate is 91c for the township tax payers with the exception of three farms which are a part of school district 43½.

Two schools within the township are closed. The other two have small enrollments and in the words of Mr. Puffer, "do not need additional tax money." Another factor is that no subdivisions exist within the township.

Penalty date May 1

County Treasurer Victor L. Schlaeger announced that penalty date for the paying of the 1944 taxes—real estate and personal property, will be May 1st this year instead of July 1st as last year. A penalty of 1 percent a month will be added to all unpaid first installment bills after May 1st.

Schlaeger says all bills, now in the making, will be in the hands of the taxpayers by March 30th, thirty days before penalty as compelled by law. He asks taxpayers to pay their bills as soon as they get them and thereby avoid crowding, delay and inconvenience in his office, due to lack of man power.

It is expected that Cook county will soon have a comprehensive cattle control program in operation with a county veterinarian in charge of the work. That Bangs disease also attacks human beings was shown by some startling statistics.

One doctor tested a number of persons who had arthritis for Bangs disease. Fifty-one per cent of those tested showed indication of the disease. These were vaccinated against the Bangs disease and 90% of the cases were cleared up of their arthritis.

Writes home for Colts automatic

The father of a Palatine boy in service has received an urgent appeal for a Colts automatic 45. The dad can not find one in the market, but hopes there is a reader to this paper who has such a gun, which he is willing to sell. A phone call to Arlington Heights 1520 will place the inquirer in touch with the dad who wants to supply the request of his son.

Completes Red Cross drive in three days

Palatine township completed its Red Cross drive in three days. The quota of \$3,500 was raised within that time. Additional amounts are still being received and the grand total may hit the \$4,000 mark.

Murray Smith, of Des Plaines, chairman of the northwest district, accompanied by J. C. Leach of Skokie, were in Palatine Tuesday and stated that no other community was so well organized. They had high praise for the work of Chairman Roy LaLonde and his 75 workers.

The drive started in Palatine last Thursday. All workers were urged to complete their job that evening. Many of them did so. Others completed their work by Sunday.

Dr. Walter Maier at stadium Sunday

Plans for the great service of Prayer and Repentance which is to be held at the Chicago Stadium at 3:30 o'clock on Sunday afternoon, March 11, are progressing well. Dr. J. W. Behnken, the president of the Lutheran church, will be the chief spiritual leader in this service. Dr. W. A. Maier will deliver the address. Rev. A. H. Werfelmann and the Rev. B. H. Hemminger will assist in the service.

A beautiful and dignified Lutheran order of service has been carefully prepared for that day and will allow all Christians in Chicago and to unite in confessing their sins to Almighty God and invoking His blessings for men and women in the armed forces, and for all the nations of the earth. An attendance of 25,000 is expected to hear Dr. Maier.

1944 TAX RATES

Arlington Heights	\$2.80
Mount Prospect	2.67
Palatine	2.44

LEVIES OMITTED IN 1944

Palatine Rural Fire District	
Wheeling Twp. Road and Bridge	
Palatine Poor Relief	
Elk Grove Poor Relief	
Schaumburg township, road and bridge and all school districts.	

REDUCTION IN LEVIES

Arlington Hts. Park Dist.	.01
School Dist. 16, Palatine	.01

INCREASES

Nearly all taxing bodies increased their levies this year. Chief among them is the increase of 10c by the county. Among the large increases by school districts is that of Prospect Heights, 26c. Palatine high school increased 16c, Arlington Heights 3c.

PALATINE RATES

County	1943	1944

Palatine High School	.58	.74
Arlington Hts. H. S.	.61	.64

The combined rate for the Village of Palatine for 1944 is \$2.44 as compared with a \$2.12 rate for 1943.

The county rate jumped 10, the village rate .04, the grade school .02 and the high school .16.

The only school district showing a reduction is District 16 with a drop of .01.

Tax payers in Arlington Heights will pay an increase of only seven percent. The omission of a road and bridge tax this year saves all tax payers in the township \$8 on each \$100 valuation. The village of Arlington Heights increased seven cents, elementary school eight cents and high school three cents. The total rate last year

Set high quotas for individuals in 7th War

Lack of home may cost Mt. Prospect its editor

Mrs. H. C. Blocksom, local editor of Mt. Prospect Herald, says that if Santa Claus does not help her out before April 1st, there may be one less editor in these parts.

Mrs. Blocksom recently sold her home with expectation of securing an apartment or flat and to be able to continue her residence in Mt. Prospect, the finest town on the Wisconsin division of the Northwestern. The flat or apartment has not yet been found.

The publishers of the Herald want Mrs. Blocksom to remain on the job and therefore they are asking their readers to aid her in her flat hunting.

There is an old story about a war being lost because of the lack of a horse shoe. This time it may be that the town will lose a newspaper all for the loss of a tip in an empty flat.

Elliott-Holt nuptials Saturday at St. Paul church

Due to the number of guests who will be present at the wedding of Pauline Ida Elliott and Mr. Gerald D. Holt in Palatine on Saturday, March 10, the wedding will be held in the Palatine St. Paul church instead of 5 N. Benton st., Palatine.

Mr. and Mrs. E. A. Holm entertained relatives at dinner Sunday.

Camp fire notes

The Mt. Prospect Camp Fire girls held election of officers for the next six months at their last meeting on Friday, March 2. Donna Mills, president; Martha Zepp, secretary and Joelyn Laird, treasurer. Plans were made for the first spring hike on Saturday, April 7, to Lake Ave. Woods, at which time the girls will cook their lunch over the open fire.

Three new members were welcomed into our group, Barbara Rahn, Kay Bressner and Joan Groth.

Friday, March 16, the girls are taking part in a birthday Council Fire and party at their regular meeting. Martha Zepp will take her rank as Trail Seeker at that time. There will be special music and a birthday cake for the Camp Fire organization which will be thirty-three years old March 17.

Sunday, March 18, all Horizon groups, Camp Fire girls and Blue Birds will gather in churches all over the country to commemorate the birthday of Campfire. The local groups will gather at South church on that date.

The Blue Birds meet at the school every Wednesday after school for a time of fun, games and singing and handwork. The girls are painting small blue bird pictures, after completing notebooks and wall pockets during the handwork session.

Don't forget the Masonic meeting tonight, March 8, at South church. Bob LaMar will show movies and deliver an interesting talk on the subject of Safety. All members of the Masonic Order are welcome.

Brownie scout news

Brownie Scouts of the second grade held their first meeting last Monday, Mar. 5, at the home of Mrs. Edward Glaeser, of 501 G. Wando. The leaders of the new group are Mrs. Ben Kells and Mrs. R. F. Milligan. Mrs. Glaeser is chairman of the troop committee. There are eighteen little "Twenties" in this group.

Brownie Scouts of the Third Grade were honored by the presence of Mr. James Stahl of the American Red Cross, who is in the military welfare service. He spoke to the girls about the purpose and service of the Red Cross, as well as his own work in the military welfare service. The girls had studied first aid the weeks before and Mrs. Stahl's talk came as the climax of this project. They are now preparing for their Investiture Service next week to which their mothers are invited.

Brownie Scouts of the fourth grade met for the first time last Monday, March 5, in the gym of the public school. Mrs. William E. Flesch and Mrs. Walter Peterson are serving as leaders of this very active group. Mrs. L. Snyder is chairman of the troop committee.

Girls of the fifth and sixth grades from the first Mt. Prospect girl scout troop. Their leaders are Mrs. Walter Cook and Mrs. Carl Hammerl, with Mrs. John Koehler as chairman of the troop committee. Nancy Tice and Esther Torbick were selected as Anchor Girls in the Horse-shoe Formation for the Investiture Ceremony. Mothers are invited to the Investiture meeting which will be held on March 15th.

Last week's training course for leaders and committee members began with an attendance of about twenty. Mrs. E. E. Brooks is giving this course of instruction as her voluntary contribution to the girl scout effort in Mt. Prospect. All committee members are urged to take the course, as well, of course, as all leaders. The course consists of sixteen hours—two weekly. It meets at the home of Mrs. John Koehler every Wednesday morning from 9:30 a. m. until 11:30 a. m. Every one interested in the activities of young children in Mt. Prospect is welcomed to come as a visitor or as a member of the class studying for an accredited certificate.

PAGE TWO

Mt. Prospect

Mr. and Mrs. Norton Gilbert entertained friends at a Saturday night supper in honor of Mrs. Jas. Perry of Camp Livingston, La., who was their house guest over the week end. Mrs. Perry is Red Cross Recreation chairman at the camp.

A group of friends gathered at the home of Mrs. Robt. Milligan on Thursday afternoon to make scrap books for the servicemen.

Billy Palmer spent last week in Park Ridge visiting his maternal grandparents.

Mr. and Mrs. Edmund Clevon entertained their bridge club Saturday evening.

Mr. and Mrs. J. T. Brown were dinner guests of Mr. and Mrs. E. Herbold of Congress Park Sunday.

Nancy Bear celebrated her fifth birthday Thursday with a party for her playmates.

The Friday afternoon bridge club met at the home of Mrs. D. D. Florence of Arlington Heights last week.

Mrs. A. Ekkebus of Milwaukee was the guest of her son, Eloy Ekkebus and family last Thursday.

Mr. and Mrs. Don Pyper, Mrs. J. R. Scott and their families attended the Ice Capades at the Arena Friday evening.

Mrs. Lynn Huffman was hostess at a Stork Shower Wednesday evening in honor of Mrs. Kenneth Bear.

The Woman's circle met at the home of Mrs. Geo. Price, at Central and Prospect roads on Feb. 28, at 8 p. m. for the regular meeting. The next meeting will be at the home of Mrs. V. Weber, 110 N. Prospect Manor ave., on Mar. 14, at 8 p. m.

Mrs. W. W. Wyre was hostess to the Wednesday afternoon sewing group this week.

FRIDAY, MARCH 9, 1945

Police sergeant dies of pneumonia

Many friends are extending their sympathy to Mr. and Mrs. Charles L. Kohout in the loss of their brother-in-law, Police Sgt. Joseph H. Mallow of Chicago. After a few days illness of lobular pneumonia Mr. Mallow passed away at the Swedish Covenant hospital Monday, February 26. Burial services were held Thursday, March 1, at Montrose cemetery, Chicago.

Mr. Mallow was an uncle of Mrs. Frederick C. Busse and Staff Sgt. Frederick M. Mossiman.

Club calendar

March—
8—Masonic Club meeting.
8—Lutheran Ladies Aid.
8—Dancing classes.
8—Red Cross, 12 to 4 p. m.
9—P. W. meeting.
12—Legion auxiliary meeting, Red Cross sewing, South church.
13—Guild meeting.
13—Red Cross, 7:30 to 9:30.
14—Red Cross, 12 to 4.
15—Lions club meeting.
15—Red Cross, 12 to 4.
15—Dancing classes.
16—Capt. W. G. Storm address Men's club at South church at 8 p. m.
20—Dr. Jackson addresses Garden Dept. of Woman's Club at South church, 8 p. m.
24—Tin can pickup.
April—
4—Catholic Women's benefit card party.

Sic Cyril Ekkebus, who is stationed at Navy Pier, and his wife, Mrs. C. Ekkebus of Milwaukee, were dinner guests of the Eloy Ekkebus family on Sunday. Mrs. Robt. Schneider of Milwaukee, enroute to St. Petersburg to join her husband, Ens. Schneider, was also a guest of her sister.

Legion auxiliary

Mt. Prospect American Legion auxiliary will meet Monday, Mar. 12, at the home of Mrs. Elmer Hauptly instead of the home of Mrs. Gilson as scheduled.

All subscriptions for the Mt. Prospect Herald are to be brought into this meeting if possible, so that the project may be completed.

Vicki Mogren celebrated her 5th birthday with a party last Tuesday.

Mt. Prospect home bureau to meet

The Mt. Prospect unit of the Cook County Home Bureau will meet Thursday, March 15, at the home of Mrs. H. O. Gundersen, 509 S. Main st., at 1:00 p. m.

Major project, "Happiness Through Right Mental Health", by Home Advisor, Mrs. Marie Cornelius. The minor project, Chinese Women, will be given by Mrs. C. G. Kaiser, local leader.

A savings account is an anchor to windward

This old bromide has been going the rounds for generations. Those who have needed money quickly for an operation, to pay off a mortgage, or to take advantage of bargains, know "a savings account is an anchor to windward." Your money is safe here, it is always available and no one but you and the banks knows its amount. We have a long, long record behind us of courteous, helpful service. Come in tomorrow and get started on a regular program of savings. It takes only a few minutes to open your account.

Ask G.I. Joe's family what your Red Cross is doing for them...

and you'll be proud of the answers you get!

THE Red Cross is doing a tremendously important job in relieving the pressure of war on civilians. This pressure is especially heavy on servicemen's families. Their fears and worries and griefs deserve and get special attention from the Red Cross.

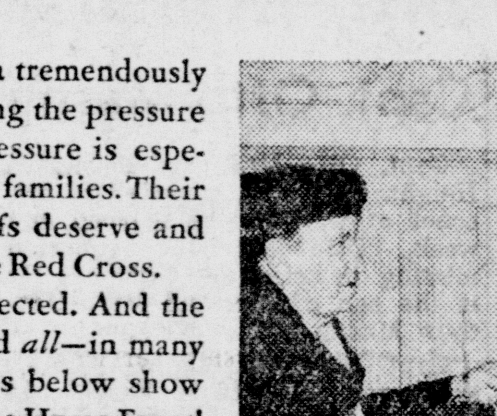

But in this war, all are affected. And the Red Cross reaches out to aid all—in many and varied ways. The scenes below show the Red Cross in action on the Home Front!

JOE JUNIORS THE COUNTRY OVER will be a healthier, happier generation because of Home Nursing courses given by the Red Cross.

THE NURSE SHORTAGE is being relieved in civilian hospitals everywhere by Red Cross recruited and-trained Nurse's Aides. The Red Cross also trains Dietitian's Aides.

WHEN LETTERS STOP, G.I. Joe's family turns to the Red Cross. Through its world-wide organization—the Red Cross finds out what's up!

GIRL WITH A HUNDRED 10851 Red Cross Motor Corps girls drive ambulances, military vehicles, blood donor trucks; are trained to meet all emergencies.

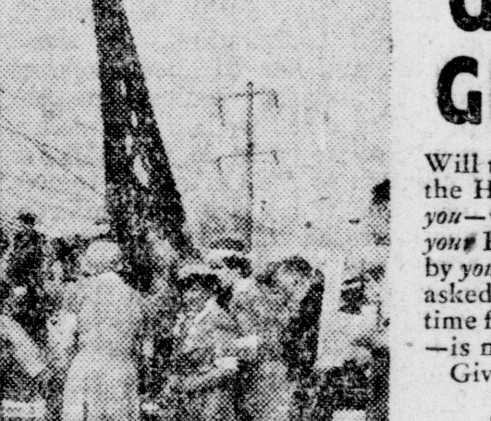

DOMESTIC DISASTERS INCREASE IN WARTIME! During the past fiscal year, there were 257 disasters in the United States—more than ever recorded for any single year. And the Red Cross was on the scene for all of them! Victims were fed, clothed and sheltered by the Red Cross! The Red Cross also aided their rehabilitation.

WHEN JOE RETURNS—WOUNDED! Red Cross Recreation and Hospital Workers brighten long, dreary hospital hours—relieve the worries that spring up in sick men's minds.

GIVE NOW! GIVE MORE!

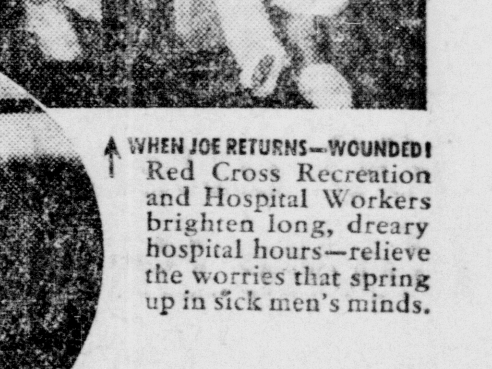

Will the Red Cross continue to serve on the Home Front? The answer lies with you—with America! For the Red Cross is young Red Cross. It is supported entirely by your voluntary contributions. You are asked to contribute just once a year. The time for giving to the Red Cross in 1945—is now!

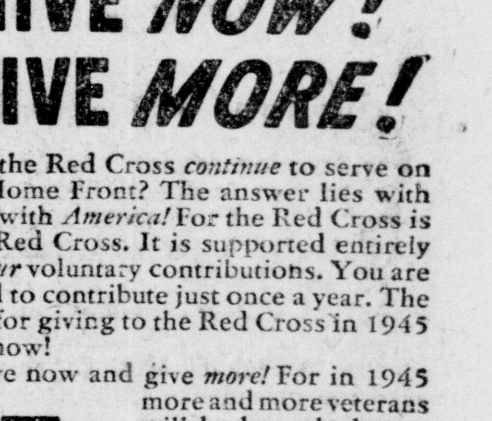

Give now and give more! For in 1945 more and more veterans will be brought home. They and their families will have more and more need for Red Cross! Give—that the Red Cross may continue to give to them!

GIVE NOW! GIVE MORE!

GIVE NOW! GIVE MORE!

GIVE NOW! GIVE MORE!

GIVE NOW! GIVE MORE!

KEEP YOUR RED CROSS AT THEIR SIDE, TOO!

The Zenith Radionic Hearing Aid

With the New

Neutral-Color EARPHONE AND CORD

ANOTHER "FIRST!"

Now Zenith brings you hearing aid smartness never known before! For the first time the visible parts of a hearing aid are smart, modern—dressed to wear neutral-color to blend with any complexion! No longer need charm and ability be buried beneath a hearing deficiency.

See this great new Zenith "first" that all America is acclaiming. This is its first showing here. The result of more than two years of laboratory research, the new earpiece and cord are now included at no extra cost with the Zenith Radionic Hearing Aid.

The new-type Neutral-Color Cord will not fray. It is water-proof, perspiration-proof, kink-proof, and washable. It's easy to keep clean! Just wipe it with a damp cloth.

THE NEW ZENITH RADIONIC HEARING AIDS

A MODEL FOR EVERY TYPE OF CORRECTABLE HEARING LOSS

- Each Complete, Ready-to-Wear
- 1 Model A-2-A Air Conduction. New, improved model of the famous Zenith standard hearing aid for the person of average hearing loss. Only \$40.
 - 2 Model A-3-A Air Conduction. A brand new super-power instrument with tremendous volume in reserve to assure maximum clarity and tone quality even under most difficult conditions. Only \$50.
 - 3 Model B-3-A Bone Conduction. A new precision instrument created especially for the very few who cannot be helped by any air conduction aid. Only \$50.

Prospector's gleanings

Sunday — Spring . . . Several kites were seen flying around Wheeling rd. and Willow rd. . . Monday—a combination of spring, and fall, with Tuesday bringing on a touch of winter . . . Weather is always a good topic for discussion, and with the variety of weather we have been having lately, there is a lot of discussion going on . . .

Mrs. William Dufresne has solved the gasoline shortage very nicely . . . She asked for a bicycle for Christmas and got it . . . Her husband, who is quite a handy man, put foot rests for little Donnie on the front of the frame and fastened a small seat for him on the cross bar, so that he can sit comfortably and also have his feet away from the wheel . . . Mrs. Dufresne rides up to the business block to do her shopping, little Donnie sitting in the front, while her other son Billy rides alongside on his own little two-wheeler.

Does the sugar lump scarcity bother you? . . . If you'd like to make them yourselves, here's a recipe: Mix 2 c. granulated sugar and 3-4 cups of powdered sugar . . . Add 4 teaspoons cold water. Make into half inch batter and cut into squares . . . Wrap in waxed paper and set aside to dry . . . When completely dry, you will have those long awaited sugar lumps, which so many people like to use in coffee . . . (Especially the Scandinavians!)

Harold Lamb, who operates the Prospect Heights Service station, is a candidate for constable for Wheeling township . . . Election will be held on April 3 . . .

Several residents have received tickets for failure to come to a complete stop at various crossings . . . Rand rd. and Elmhurst rd. seems to be the crossing that most of them failed to come to a complete stop . . . The yellow stop sign means STOP—completely . . . It seems there was an accident recently in which one party failed to

Return home

Mrs. Edward Dresselhuys, Marion ave., has just returned from a 12 day visit to San Francisco, Calif., where her husband, Lt. (j. g.) Edward Dresselhuys, was temporarily stationed. He is with the navy doing liaison work and was home on a leave in November after over a year of service in the South Pacific. Lt. (j. g.) Walter Borman, husband of Kay Borman, W. Willow rd., had just arrived in San Francisco, and they managed to meet and enjoy a good neighborly visit. Besides being former neighbors, Lts. Borman and Dresselhuys underwent the same training and expect to be engaged in the same type of work.

Club calendar

March—
13—PTA meeting at schoolhouse.
14—Lions club meeting.
16—Presentation of "The Robe" at schoolhouse.
17—St. James card party at tea-room.
19—Bundles for America meeting.
21—P. H. I. A. meeting at schoolhouse, choral society to sing.
22—St. James guild meeting.
28—Lions club meeting.

To present 'The Robe' March 16

All's ready for the musical and dramatic treat of the winter season—the Women's guild presentation of Mrs. Harry Kindness, in "The Robe", the superb singing voice of Mrs. Robert F. Klepper and Prospect Heights own Choral society in a repertoire of sacred music.

Since a capacity audience is expected, Mrs. Paul Koenig, program chairman, has arranged that the doors of the schoolhouse will be opened at 7:30 p. m., so that the program may start promptly at 8:00 o'clock.

Immediately following the entertainment portion of the program, refreshments will be served by the social committee of which Mrs. Grover Jungbluth is chairman.

PTA to see film

The next meeting of the Prospect Heights PTA will be held on Tuesday evening, March 13, Mrs. Edward Warwick presiding.

A special feature of the evening's entertainment will be a film, entitled "The Mortons Make Some Changes", which has been sent out by the Dental Hygiene Institute of Chicago.

A member of the dental profession will be present to answer questions and a round table discussion will take place. If you desire any information on teeth and gums, this meeting will be of interest to you.

Churches

PROSPECT HEIGHTS BIBLE CHURCH (Nonsectarian)
Victor T. Paulsen, Pastor
Sunday, March 11:

Regular morning worship service each Sunday at 10 a. m. at the Prospect Heights school. Pastor Paulsen's sermon topic will be taken from the fourth saying of Jesus from the Cross, "My God, My God, Why Hast Thou Forsaken Me?"—Matthew 27: 46. Special talent from Wheaton college will be featured. All residents of the community and surrounding area are cordially invited to attend the Lenten services.

Church school each Sunday at 10 a. m. under the supervision of Errald C. Green, superintendent. All children and young people are invited to attend.

Sunday evening gospel service at 7:45. The Lord's Supper will be observed. Everyone cordially invited.

The young people's meeting will be held at 6:15 at the home of Marjorie Joze, 300 Elmhurst ave. Special speaker will be presented.

PROSPECT HEIGHTS COMMUNITY CHURCH
104 Elmhurst Rd.
Interdenominational

Rev. Robert F. Klepper, Pastor
Regular worship services every Sunday morning at 11:00 o'clock. Organ prelude by Mrs. William Andrew.

Church school worship services every Sunday morning at 9:30 o'clock, followed immediately by instruction class for all age groups. Midweek Lenten services every Thursday evening at 8:00 o'clock.

Women's guild presentation of "The Robe" and Prospect Heights Choral society at the school house Friday evening, March 16 at 8:00 o'clock.

Mr. and Mrs. Robert Peterson, McDonald rd., celebrated their 10th wedding anniversary on Friday. On Saturday evening they went into Chicago, where they attended the "Ice Capades" at the Chicago arena. They enjoyed the performance very much and have been commenting upon the lavishness of the production ever since.

FRIDAY, MARCH 9, 1945

PAGE THREE

Young people conduct services

An unusual and highly interesting program took place at the schoolhouse last Sunday evening, when the young people of the Prospect Heights Bible church conducted the evening gospel service at 7:30. They had been working on the program for quite some time and their flawless performance bore evidence of it.

There was congregational singing, with Miss Jean Norby at the piano, who later offered a piano solo on variations of "Onward Christian Soldiers".

Others who took part in the program were Marilyn Gronfeldt, who gave out announcements; Ruth and Ethel Moss, who took up the offering; Marjorie Joze, who sang "The Holy City", accompanied by Jean Norby and a quartet, "Ivory Palaces", was sung by Jackie Riley and Dorothy Appleyard.

The sermon was in three parts, with Ted Maitland, Jackie Riley and Marjorie Joze taking part.

This first all young people's presentation met with the approval of those attending and many expressed the hope that the young people would present another program in the not too distant future.

The next meeting of the young people of the Prospect Heights Bible church will be held at the home of Marjorie Joze, 300 Elmhurst ave. The meeting starts at 6:15 and all young people in the community and surrounding area are cordially invited to attend. A special speaker will be presented.

Plan sunrise service Easter

Rev. Robert F. Klepper announced last week end that Prospect Heights will have an Easter Sunrise service April 1, in addition to the regular Easter services at the Community church.

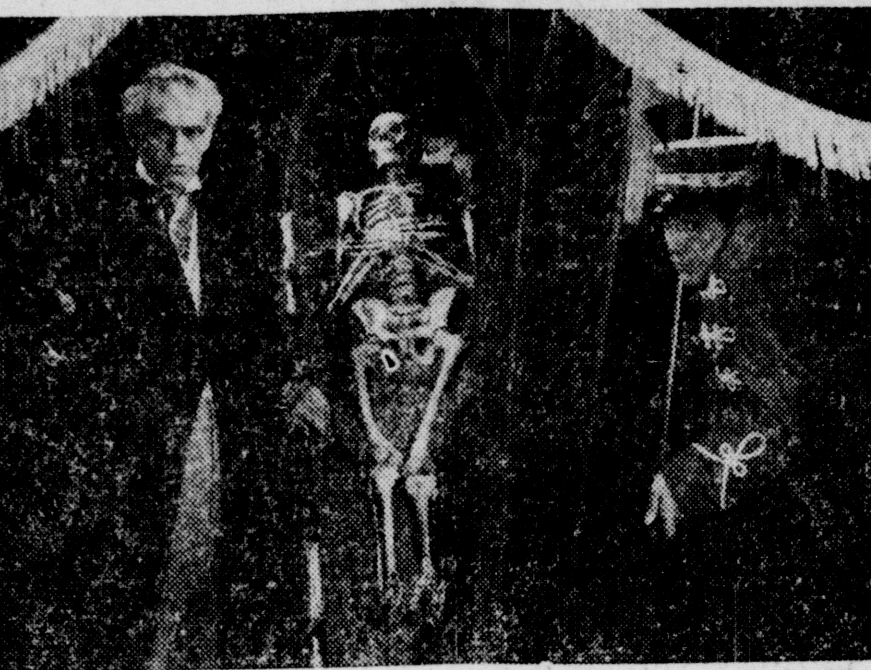

Plans now contemplate a worship service with Holy Communion as the sun appears in the East. A special breakfast will then be served by the women of the church.

Marriage in Georgia

Betty Dombrosky, daughter of Mr. and Mrs. Gus Dombrosky of South Plum Grove road, Palatine, was united in marriage to Staff Sergeant Loyal Hendley at Columbus, Georgia, Saturday, Feb. 24, at 12 noon.

Mr. and Mrs. Hendley are making their home in Columbus for the present.

Two Horror Shows at Arlington

One of the horrific scenes from "House of Frankenstein," starring Boris Karloff, with J. Carol Naish and Elena Verdugo.

And below . . .

A scene from the super-horror hit "The Mummy's Curse," with Lon Chaney, Virginia Christine, Peter Coe, Kay Harding and Dennis Moore.

Both are coming to the Arlington, one day, Wednesday, March 14th (adults only).

Visiting the Walter Nensens, Maple ave., for five days last week were Mrs. Ray Hedges and children, Jackie and Jimmy, former residents of the community, and Mrs. Robert Kirtland, of Wilmette, sister of Mrs. Nensens.

Mr. and Mrs. Roy Boroughf, E. McDonald rd., have been entertaining Mr. and Mrs. Louis McDowell of Findley, Ohio, who will soon make their new home in this vicinity. Mrs. McDowell is Mrs. Boroughf's sister.

Warren Arthur Henke, son of the Arthur Henkes, Elmhurst ave., was one year old on Saturday, Mar. 3. This grand occasion was celebrated on Sunday by Mrs. M. A. Bickford, Mrs. A. A. Henke, Mr. and Mrs. W. E. Butler, Mr. and Mrs. W. C. Henke, Misses Dolores and Elaine Henke, Mr. and Mrs. A. C. Weman, Mr. and Mrs. L. A. Passon, Miss Carolyn Passon, and C. McFeeley. Mr. McFeeley took pictures of the birthday boy opening his gifts and also of the guests which will make their entrance into his baby book for him to gaze upon in later years.

Cleaning Leather

When cleaning leather use lukewarm water and a mild soap. Work up a thin suds on a piece of cheesecloth and go over the leather surface. Then wipe it with a piece of damp cheesecloth, using no soap. Finally wipe it off with a dry soft cloth. There are some leather creams on the market that can be applied to the clean surface to keep it soft and smooth.

Bake Pears

Bake some of those pears. They should be brown and sweet and served chilled with sweet cream and a sprinkling of nutmeg.

Birthday party

Neighbors and friends assembled at the Homer Torreyson home on Palatine rd. on Monday night and then went next door to the William Coopers to surprise Mr. Cooper with a birthday party. An hour was spent in playing games, after which the balance of the evening was devoted to playing bridge. Mrs. William Kelsey won first prize and Mrs. Henry Wagner won booby prize. A midnight supper was served by Mrs. Cooper, during which everyone sang "Happy Birthday" to Mr. Cooper, who then opened his gifts and cards. Those who enjoyed the party were Mr. and Mrs. W. O. Kelsey, Mr. and Mrs. John Spillar, Mr. and Mrs. Robert Holding, Mr. and Mrs. Homer Torreyson, Mr. and Mrs. Albert Peters, Mr. and Mrs. Harry Wagner, and Mr. and Mrs. William Hansen, guests from Lake Geneva, Wis.

Guest at shower

Mrs. Joseph Forster was guest of honor at a miscellaneous stork shower recently given by Mrs. F. E. Shalkley and Mrs. Rex Dallstream at the Shalkley home on Clarendon st. The gifts were distributed from a daintily decorated basket. The evening was spent in playing games and a light supper was served later in the evening.

Those attending were Mrs. C. E. Quackenbush and Mrs. Geo. Price of Mt. Prospect, Mrs. Grace Dallstream, Chicago and Mrs. Thomas Holmes, Mrs. Gerald Colley, Mrs. Otto Rezek, and Mrs. Marty Czadzlo of Prospect Heights.

Bundles rummage sale April 21

Prospect Heights unit of Bundles for America is planning another spring rummage sale, according to Mrs. Edward Figahs, chairman of the project.

At the meeting of the unit, held in the Smith & Dawson tearoom on Tuesday evening, the project was announced, and the date has been set for April 21.

Articles of clothing, household goods, fruit jars, etc., will be among the many articles to be placed on sale. Meanwhile, if any residents have any articles that they no longer have use for, their donations to this project will be greatly appreciated.

Card party Mar. 17

"Shure, and it's a foine time ye'll be havin' on St. Patrick's Day if ye'll attend the card and bunco party sponsored by the Prospect Heights chapter of the St. James guild. There'll be door prizes galore, cigarettes for table prizes, a special raffle on a sewing chair, and the servin' of homemade cakes and cups of good hot coffee.

"The tickets are only fifty cents donat-on, and ye'll be havin' a foine time for that fifty cents, I'm tellin' ye."

Behind this Banner

34,033 BOYS AND GIRLS
MARCHED TO VICTORIES
ON THE HOME AND FOOD FRONT

Backing Our Fighters With Food.
Beef, dairy, swine, and poultry projects are favorites with thousands of 4-H'ers like Donald Soxen of Hampshire, who was chosen as one of America's leading young dairymen at the National 4-H Congress.

Head as Well as Hands work for Glenn Thomas, State Rural Electrification Champ from Prophetstown. Ingenuity and "know how" enabled club members to construct hundreds of time, work, and animal-saving devices, enabled them to build many pieces of hard-to-get farm equipment.

Food Conservation, meal planning and preparation earned Norma Jean Gahn, Streator, a scholarship at the 4-H Congress. Cooking, canning, sewing and other domestic projects provide fun and education for future homemakers like Norma Jean.

LAST YEAR, inspired by their slogan "Back Our Fighters in 44—Produce, Conserve, and Do Lots More," more than thirty-four thousand Victory-minded boys and girls in Illinois rolled up their sleeves, went to work and did a man-sized job of helping to win the war.

Extra effort was placed on the production of food needed to fill mess kits and market baskets. And having produced the food, they went all-out for its conservation through projects involving meal planning and preparation, canning and preserving the surplus. Other club members made contributions by learning to repair and remodel old clothing, as well as design and sew new garments. Projects in all phases of farming and homemaking were completed.

Many special wartime services were conducted by these patriotic young folk...tons of waste paper, scrap metal and fats were saved...four ambulances were donated to the services...equipment for a radio shop in an army general hospital is being purchased.

Social Activities and business-like meetings with officers, speakers, and demonstrations, stimulate and hold interest in 4-H clubwork, give members recreation and a sense of responsibility. Here's the Yorkville 4-H Club in session.

For these, and countless other contributions, we owe our Illinois 4-H'ers a debt of gratitude.

Another 4-H Club Week is here. Parents are urged to encourage their children to join the local club. The advantages of being a club member are numerous. Social activities provide entertainment, teach community leadership. Contests create a competitive spirit resulting in a broader more thorough education. Physical well-being is stressed. When Head, Heart, Hands, and Health team up, you have an unbeatable combination—the 4-H Clubs. Boys and girls today—leaders tomorrow.

NATIONAL 4-H CLUB WEEK March 3rd-11th

Get complete details on club membership from your farm or home advisor now!

More than 10,000,000 boys and girls from everywhere have taken part in 4-H activities—a glowing tribute to our 4-H clubs' worth. The active Manhattan Snip-Snap Club hold their meetings at regular intervals.

Highway Commissioner

Barnie Runge has resided in Township of Wheeling for the past 38 years. He received his education in Wheeling Township, after which he completed a two year business course at the Metropolitan Business College and a two year course at Greer College, both of Chicago.

Before becoming active, or acquainted, with the building and maintenance of road and bridge work in Township of Wheeling Barnie was afforded the opportunity of working for several well known Road Construction Companies, thus giving him a desire to become a road and bridge builder.

During the past 16 years Barnie was employed by the Wheeling Township Road and Bridge Maintenance Department. He operated economically and efficiently (to the best of his knowledge) all TOWNSHIP ROAD MAINTENANCE TOOLS.

Would therefore kindly ask you to study your ballot carefully and hope you will, in all sincerity and kindness, consider me as the capable candidate to fill the position of HIGHWAY COMMISSIONER on election day, April 3, 1945.

Remember, though, I'm running independent — on TAXPAYERS' TICKET.
